

2020 Drew Walston Memorial Scholarship

The Drew Walston Scholarship is awarded annually to two Dierks High School seniors. The scholarships are awarded based on an essay written by each candidate and their personal desire to further their education. The scholarships are not based solely on academic or athletic abilities, but on the desire to better themselves and be a motivated individual who needs assistance reaching their goal of attaining a college degree. This scholarship is funded annually through a baseball and softball tournament hosted by Drew's friends and family.

This scholarship was founded in memory of Drew Walston. Drew's life was taken in an automobile accident in 2012. Drew left a lasting impression on many that knew him. This scholarship is an opportunity for his influence to touch even more in years to come. Drew was a natural athlete. He loved all sports, and he was blessed with God given talent. Drew just loved the game. Now the academic Drew was another story. By no means was Drew the outstanding scholar. Although he could have been, he just did enough to get by. Drew went to college on a baseball scholarship, and he began to understand the importance of making a difference in the life of a child. After injury, decided to leave the game he loved and concentrate on his education. Drew wanted to be a coach. Drew loved working with kids and teaching them the game that he loved so much. Drew was coaching a little league team when his life was taken. This scholarship is to be given to a deserving individual who desires to go to college and make a difference in the world we live in.

Applications and essays must be turned in to Mrs. Smith by February 29th. Recipients will be announced at the Academic Banquet
