

MUSIC CHANGES LIVES
Help Us Make CARROLL COUNTY
An Example for Others to Follow

Greetings from the Carroll County Community Orchestra!

The Carroll County Community Orchestra is in its' 13th year of providing Carroll County youth with funding to attend a University Band Camp by playing at least two concerts a year with all proceeds going to scholarships. We use our musical talents to uplift the role of the arts in our schools and community by providing an opportunity for adults and youth to join together in an inspiring creative endeavor.

We are asking you and your organization to help us by informing all you know of our upcoming **SPRING CONCERT** in the Eureka Springs Auditorium on **APRIL 22** at 2:30 pm. Adults are \$10-Students \$5. Your presence will be appreciated and rewarding for the students from your community performing on stage when they receive a scholarship at the concert for their dedication to music. We will create our event **Program** soon and space is available for **Individuals** and **Organizations** to be listed as supporters of the arts. Choose from: **Underwriter level-\$500 Gold Level-\$200 Silver Level-\$100 Bronze Level-\$50 Music Lover-\$25**. Later calls will be recognized at the concert by the Master of Ceremonies. Thanks for your valuable support of music (Good Samaritan) and we hope you can attend and witness students receiving their scholarships during the intermission.

We are a **501 © 3** organization and have had great success for 13 years and have served the communities of Alpena, Green Forest, Berryville and Eureka Springs adults and students. **We would APPRECIATE You sharing** this information page (maybe Xerox it or pass it on) and do your part as a supporter of music education and soliciting support in your community.
