

# Fall Sports Pictures 2017

High school journalism staff members are starting to take the fall individual and team photos and are ready to take orders.

Please review your child's team and individual photos that are being emailed to you, as well as the pricing below.

We are proud to offer our photos for half the price you have paid in the past with outside photography businesses. This year, we will be taking all orders via email @ eagleeye@silverlakeschools.org.

Our goal is to improve the quality of our product with every new experience and opportunity. Current staff members include Addison Hamilton, photo editor, as well as Heather Jordan, Taylor Burkhardt, Kennedy Kats and Kaidon Kruger. Jamie Manhart serves as their adviser.

|                                       | <u>INDUSTRY</u> | <u>EAGLE EYE PHOTOGRAPHY</u> |
|---------------------------------------|-----------------|------------------------------|
| 5x7 Individual                        | \$5             | \$2.50                       |
| 8x10 Individual                       | \$10            | \$5                          |
| 8x10 Team (with school name and logo) | \$11            | \$5.50                       |
| Memory Mate                           | \$16            | \$8                          |
| CD                                    | \$20            | \$10                         |

(CD includes 3 photos on it: individual athlete photo, team photo with Silver Lake logo, and Memory Mate that comes with a picture of the team, the individual, and the Silver Lake logo)

## Advantages of the CD

- You own the photos, so you can print as many as you like, whatever size you like, put the photos on social media, upload them to a memory book, etc.
- You could possibly save money depending on your order.
- You own the photos, so if your print gets damaged, lost, or you choose to print more in the future, you can conveniently do so.

Possible scenario:

If you want three Memory Mates (one for mom and dad, one for grandma, one for aunt), you would spend \$24 for prints. With the CD, you pay \$10, and then the price of the 8x10 prints (\$1.78 at Sams):  $10 + 5.34 = 15.34$  as opposed to \$24. Plus, you own three different photos.
