

School Pictures 2016

High school journalism staff members will be taking 7th-11th grade school photos on Friday, November 18 for the yearbook and for purchase.

We are proud to offer our photos for half the price you have paid in the past. You will be receiving an actual order form in a separate email. Payment should be sent with your child on Friday, and they should bring their money with them at the time the photo is taken. Cash is accepted, and checks should be made payable to SLHS.

After photos are taken, you will receive an electronic version of the photos to see if your child requires a retake. If so, you will notify us at that time.

Since we are a new business, we certainly want your input. You will receive a survey soon in which you can provide suggestions for future options. Our goal is to improve the quality of our product with every new experience and opportunity. Current staff members include Addison Hamilton, photo editor, as well as Gracie Johnson, Mackensie Haverkamp, and Abby Brockmann. Questions can be directed to Eagle Eye Photography at eagleeye@silverlake-schools.org or (785) 582-4639.
