Once again, the Sumner County Farm Bureau Association will be providing a scholarship for children of Sumner County Farm Bureau members. There will be one scholarship given out in the county, and it will be for \$500.00. This scholarship will be available for high school seniors going on to further their education.

We have included a copy of our application. Feel free to make more copies if needed. Also, if it would be easier to have the application on your computer, we would be glad to email it to you.

Kansas Farm Bureau also has many scholarships available. There are some specific to Kansas State University or Fort Hays State University, some for collegiate Farm Bureau members, and some for students attending accredited technical schools in Kansas. If anyone would like more information on these scholarships go to www.kfb.org/Foundation-for-Agriculture . Click on the scholarship link on the left side of the page.

We will be reviewing the applicants for the Sumner County scholarship at our regular board meeting in April. If anyone has any questions please have them contact the office at (620)326-5161 or by email at sumnerfb@kfb.org. The office is open Tuesday, Wednesday, and Thursday from 9:00 to 4:30.

Thank you for your help!
