PADEN PUBIC SCHOOLS ATHLETIC WAIVER 2020

The coaching staff and administrative staff at Paden Schools is taking precautions to protect your child from any illnesses, especially Covid 19, but there is always a risk when you are around others, especially during these times. We ask that each parent read the district guidelines for summer athletic activities, which can be found on our website, then sign and return this waiver to your child's coach, before your child is allowed to participate in summer activities.

Sincerely,

Michelle Stiles, Superintendent
