**DO YOU KNOW A CHILD WITH A DISABILITY OR SUSPECTED  
DISABILITY AGE 3-21?**

**Bennington Public School wants to identify children within our geographic boundaries, with established or suspected disabilities, regardless of the severity, and provide the most appropriate services to meet their individual needs. These children do not have to be enrolled in school, Head Start, day care, state institutions, other child care, or treatment facilities. They may be home schooled, in a private school, online school, charter schools, virtual schools, or alternative schools.**
