

Protocol for reentry:

Teachers will be screened when they arrive on campus at 7:15.

When students arrive on campus they will go to one of two locations to be screened.

All students that are dropped off by parents will be done so in the gym parking lot. Six faculty members will be screening students.

1. Students are not allowed to arrive on campus before 7:25 and no later than 7:45.
2. Car riders and drivers will be screened in the gym lobby.
3. Bus riders will be screened in the high school lobby one bus at a time. Social distancing protocols will be in place.
4. Students who have first period football may be dropped off at the fieldhouse where the coaches will screen players.
5. If a student is running fever, he/she will be escorted to the nurse's office to be quarantined and parents will be notified.

Once students are screened, each one will be given a sticker with his/her name, date, and screener initials. Students will then go to the cafeteria to get breakfast and then go to their first hour class. Students will wear their stickers all day long. First hour teachers will mark that students have been screened. Students who come to school after 1st period will check in through the office to be screened.

Students will wear masks upon arrival to school, while in transition, when changing classes, when visiting the restroom, and when in classes where social distancing isn't possible. Hallways will be divided to allow students to transition from class to class as easily as possible and to limit congestion in hallways.

Lunches will be staggered to allow for 2 grades to go at a time and to allow for cleaning to take place between lunches.

At the end of the day, students who ride a bus will be dismissed first then car riders/drivers will be released. Students in Mrs. Smithson's, Mrs. Clark's, Mr. Horton's, and Mrs. Gorton's classrooms as well as those in the computer lab will exit the high school through the front doors. Students in Mrs. Carr's, Mrs. Vincent's, Mr. Massey's, Mrs. Welch's, Mrs. Morrison's, and Ms. Madison's classrooms will exit on the west end of high school (near the gym). Mrs. Dearing's, Mrs. Bigham's, and Mrs. Woods' students will exit on the east side of the high school (near the agri/band room). Mrs. Passmore's, Mrs. Smith's, Mrs. Bell's, and Mrs. Corley's rooms will exit out the front doors.

Lockers will not be issued to students.

Classes will meet for 40 minutes.
