Collegiate Scholarships

2017 Catalog

NATIONAL
FFA ORGANIZATION

HIGH SCHOOL SCHOLARSHIPS

IMPORTANT NOTE:

All scholarships require FFA membership unless otherwise stated in the Eligibility criteria.

America's Farmers Grow Ag Leaders Scholarships Presented by the Monsanto Fund

ELIGIBILITY: Pursuing a degree or certification in specific areas of agriculture; human nutrition; food services; hospitality; communications; marketing; public relations; journalism; statistics; mathematics; engineering; bioinformatics; computer science; rural sociology; livestock management; turf management; welding; diesel mechanics; food packaging; animal breeding and genetics; and vet medicine or science.

Applicants must reside in an identified state and county. A list of specific majors, states and counties is available at FFA.org/scholarships or GrowAgLeaders.com. Minimum 2.5 GPA on a 4.0 scale required.

Scholarships available for FFA members and non-members.

NOTE: Applicants must obtain two farmer endorsements. See details at FFA.org/scholarships or GrowAgLeaders.com.

AWARD: 352 scholarships at \$1,500 each, non-renewable.

SPONSOR BIO: The America's Farmers community outreach programs work with farmers to support rural communities, youth and schools. Sponsored by the Monsanto Fund, the programs have awarded over \$36 million in rural America since 2010.

America's Farmers Grow Ag Leaders encourages rural youth to remain in agriculture and provides \$1,500 scholarships to support their post-high school education in ag-related fields of study.

Visit www.americasfarmers.com to learn more.

Chevy Trucks Scholarship Program

CHEVROLET

ELIGIBILITY: Pursuing a two- or four-year degree or specialized training certification in any major.

AWARD: 150 scholarships available at \$1,000 each to be awarded on behalf of participating Chevy dealers. Non-renewable.

SPONSOR BIO: For over a century, Chevrolet has been a passionate believer in the power of ingenuity and innovation in our quest to find new roads. Chevrolet and its dealers are proud to announce participation in the FFA collegiate scholarship program in support of our long-standing relation with the National FFA.

Ford Motor Company Fund and Ford Trucks Built Ford Tough - FFA Scholarship Program

ELIGIBILITY: Students who are pursuing a two-year or four-year degree in any major. Applicants must apply online and then visit their local participating Ford Truck dealer for signature and dealer code. Qualified students will be considered for all FFA scholarships, but in order to be considered for the Built Ford Tough – FFA Scholarship, they must have a Ford dealer signature and dealer code on the required Signature Page.

To find a participating dealer who has identified a local FFA chapter, visit www.FFA.org. Applicants unable to find a participating dealer online may obtain a signature and dealer code from their local Ford dealer to make them eligible for one of five national scholarships.

AWARD: Up to 500 scholarships available at \$1,000 each to be awarded on behalf of participating Ford Truck dealers. Five additional national scholarships at \$1,000 each will be available to students who do not have a participating Ford Truck dealer in their area but did obtain a Ford dealer signature and dealer code. Non-renewable.

SPONSOR BIO: Ford has been building tough trucks that move and service America since 1908. 2017 marks the 69th year of FFA support by Ford Trucks and Ford Motor Company Fund.

Ford is one of the largest corporate sponsors of scholarships in the National FFA scholarship program. Since 1997, Ford and participating Ford Truck dealers have awarded more than \$9,200,000 in scholarships to FFA members.

John Deere Dealer Scholarship Program

ELIGIBILITY: High-school senior or college student pursuing a two- or four-year degree in select agricultural majors, public service and administration in agriculture, engineering, welding or diesel mechanics. Applicant must attend a chapter identified by a participating John Deere dealer. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: Up to 150 scholarships available at \$2,000 each to be awarded on behalf of participating John Deere dealers. Non-renewable.

SPONSOR BIO: Deere & Company is a world leader in providing advanced products and services and is committed to the success of customers whose work is linked to the land. As the face of John Deere, our dealers deliver innovative products of superior quality built on a tradition of integrity.

AGCO Corporation

ELIGIBILITY: Pursuing a two- or four-year degree in any agricultural major, welding, diesel mechanics, non-ag communications, public relations or sales & marketing. Applicants must have participated in community service, demonstrated leadership skills and exhibit financial need.

AWARD: 12 scholarships at \$2,000 each, non-renewable.

SPONSOR BIO: AGCO is a global leader in the design, manufacture and distribution of agricultural solutions and supports more productive farming through its full line of equipment and related services. AGCO products are sold through five core machinery brands, Challenger®, Fendt®, GSI®, Massey Ferguson® and Valtra®, supported by Fuse® precision technologies and farm organization services, and are distributed globally through a combination of approximately 3,000 independent dealers and distributors in more than 140 countries. Founded in 1990, AGCO is headquartered in Duluth, GA, USA. In 2015, AGCO had net sales of \$7.5 billion. For more information, visit www.AGCOcorp.com

AGCO Dealer Scholarship Program

ELIGIBILITY: Pursuing a two- or four-year degree or specialized training certification in any agricultural major, welding, diesel mechanics or non-ag sales & marketing. Applicants must be from an eligible chapter as identified by dealer. List of participating dealers available at AGCO Dealers

AWARD: 102 scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: AGCO is a global leader in the design, manufacture and distribution of agricultural solutions and supports more productive farming through its full line of equipment and related services. AGCO products are sold through five core machinery brands, Challenger®, Fendt®, GSI®, Massey Ferguson® and Valtra®, supported by Fuse® precision technologies and farm organization services, and are distributed globally through a combination of approximately 3,000 independent dealers and distributors in more than 140 countries. Founded in 1990, AGCO is headquartered in Duluth, GA, USA. In 2015, AGCO had net sales of \$7.5 billion. For more information, visit www.AGCOcorp.com

AGCO Finance

ELIGIBILITY: Pursuing a two- or four-year degree in the following fields of agriculture: agricultural and forestry production, communication and education, marketing, merchandising and sales, science, engineering, social services, business, economics, international agriculture, and finance. Applicants must exhibit financial need and have participated in community service.

AWARD: Six scholarships at \$2,000 each, non-renewable.

SPONSOR BIO: AGCO Finance has been offering comprehensive financing programs based on innovative financial products to meet the individual needs of our customers since the 1950s. Whether a customer chooses to purchase, lease or rent equipment, AGCO Finance can provide a competitive solution. Working with AGCO Finance, professional farmers around the world can acquire the right equipment to help them grow their business and also improve their management of cash flow and credit lines.

AGCO Intivity Center

ELIGIBILITY: Pursuing a two- or four-year degree or specialized training certification in any agricultural major, welding or diesel mechanics. Applicants must exhibit financial need, strong leadership skills, have participated in community service and reside near Jackson, Minnesota.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: AGCO Corporation is a global designer, manufacturer and distributor of agricultural equipment and replacement parts headquartered in Duluth, Ga. The company's global equipment brands include Challenger®, Fendt®, Valtra® and Massey Ferguson®. Intivity Center, the official visitor center for AGCO's Jackson, Minnesota facility, is a destination for agricultural equipment enthusiasts of all ages. For more information, visit www.AGCOcorp.com

AgroLiquid

ELIGIBILITY: Pursuing a degree or certification in agricultural education, agronomy, or crop science. Applicants must exhibit financial need and have participated in community service. One \$2,500 scholarship per state will be awarded to a member from Iowa, Kansas and California.

AWARD: Three scholarships at \$2,500 each; one scholarship at \$2,000, non-renewable.

SPONSOR BIO: For more than 30 years, AgroLiquid has strived to prosper the farmer. We work with innovative growers who want to increase soil quality, conserve soil moisture, and optimize inputs. AgroLiquid products are developed to sustainably produce more food and fiber for a growing population with less applied fertilizer. Learn more at agroliquid.com.

Alpha Gamma Rho Educational Foundation

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. Scholarship available to males who will be attending a university with an Alpha Gamma Rho chapter. Must exhibit strong leadership skills. Visit www.agrs.org for a list of universities with AGR chapters.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Alpha Gamma Rho (AGR) is the Fraternity sharing a common bond within a dynamic, global agriculture committed to fostering the highest values and providing each and every brother with superior lifelong personal development and professional success. AGR is consistently performing as a professional, integrity driven, world-class organization committed to the highest of standards and we look to inspire a pursuit of academic excellence, as well as engage all brothers in professional development promoting lifelong career success. Alpha Gamma Rho: Nurture. Grow. Give. Repeat.

AMCM – Association Motor Club Marketing

ELIGIBILITY: Pursuing a four-year degree in agricultural education. Minimum 3.5 GPA on a 4.0 scale is required.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: AMCM, Association Motor Club Marketing, has created the premier fundraising program for your FFA chapter. Our unique approach to fundraising utilizes technology and provides each FFA chapter the hands-on experience of building a recurring revenue business through social media platforms. AMCM has been a major supporter of the agricultural industry for over 50 years.

American Veterinary Medical Association

ELIGIBILITY: Pursuing a four-year degree in animal nutrition; animal, dairy, equine or poultry science; animal breeding and genetics; biological sciences or pre-vet/vet sciences, with preference to applicants planning a career in veterinary medicine in the area of food supply or public health.

AWARD: Three scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: The AVMA, founded in 1863, is the world's oldest and largest veterinary medical organization. The AVMA's mission is to lead the profession by advocating for its members and advancing the science and practice of veterinary medicine to improve animal and human health. More than 88,000 member veterinarians are engaged in professional activities ranging from private practice to public health.

Animal Health International

ELIGIBILITY: Pursuing a four-year degree in animal or dairy science. Resident of Alabama, Arizona, Arkansas, California, Colorado, Florida, Georgia, Idaho, Iowa, Kansas, Louisiana, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington or Wyoming.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: From their respective beginnings – Lextron in 1967 and Walco in 1953 – culminating in the merger of two pioneering animal health companies in 2011, Animal Health International, Inc. (<http://www.animalhealthinternational.com>) has created a premier animal health business with more than 100 years of combined knowledge, proven vision, unmatched commitment to the customer and industry expertise. As a marketer of animal health products from all the major manufacturers, Animal Health International's vision is to be unmatched in customer commitment by exceeding the customer's expectations and providing any needs in animal health products.

Archer Daniels Midland Company (ADM)

ELIGIBILITY: Full-time students pursuing a two- or four-year degree in select areas of agriculture including communication, education, finance, sales, marketing, crop, animal, sustainable agriculture, plant, public service; and non-ag majors including welding, diesel mechanics, transportation, communication, engineering, politics, sales, marketing, finance, information technology, accounting, supply chain management, and business. Minimum 3.0 GPA on a 4.0 scale is required. Must be current FFA member. Applicant must exhibit strong leadership skills and have participated in community service. Some residency requirements may apply.

AWARD: 80 scholarships at \$1,000 each, non-renewable. The FFA chapter of each recipient will also receive a \$250 grant check from ADM to assist in continued education excellence.

SPONSOR BIO: For more than a century, the people of Archer Daniels Midland Company (NYSE: ADM) have transformed crops into products that serve the vital needs of a growing world. Today, we're one of the world's largest agricultural processors and food ingredient providers, with more than 32,300 employees serving customers in more than 160 countries. With a global value chain that includes more than 428 crop procurement locations, 280 ingredient manufacturing facilities, 39 innovation centers and the world's premier crop transportation network, we connect the harvest to the home, making products for food, animal feed, industrial and energy uses. Learn more at www.adm.com.

B.R.I.D.G.E. Endowment Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in any area of agriculture. Scholarships are available for physically disabled or handicapped members. Preference to applicants from rural America. Eligible students must submit the supplemental B.R.I.D.G.E. Endowment Fund Scholarship Application. (Applicants may request the B.R.I.D.G.E. application by emailing scholarships@FFA.org.)

AWARD: Approximately one scholarship at \$5,000. Not guaranteed.

SPONSOR BIO: The Dr. Scholl Foundation, Outdoor Advertising Association of America and many caring individuals set up this fund.

Beck's Hybrids

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture except social services. Must be a resident of Illinois, Indiana, Iowa, Kentucky, Michigan, Missouri, Ohio, Tennessee or Wisconsin. One scholarship awarded per state. Applicant's family must be a Beck's Hybrids Seed customer.

AWARD: Nine scholarships at \$2,000 each, non-renewable.

SPONSOR BIO: Beck's Hybrids (www.beckshybrids.com) is the largest family-owned, retail seed company in the United States, serving farmers in Indiana, Illinois, Ohio, Michigan, Kentucky, Tennessee, Iowa, Missouri and Wisconsin. Because of our size and independence, Beck's has worldwide access to the best genetics and trait technologies. We are farmers too, and we understand what farmers need. We strive to provide all customers with the tools they need to succeed on their farm.

Birdsong Peanuts

ELIGIBILITY: Pursuing a four-year degree in agriculture or agribusiness. Must be a resident of Alabama, Florida or Georgia. Applicant or applicant's family must be peanut producers.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Birdsong got its start in 1914 when T.H. Birdsong opened a feed and seed store in Courtland, Virginia. The company expanded into storing commodities and began shelling peanuts in the 1930's. The shelling plant burned in 1939 and Mr. Amedeo Obici, founder of Planters Peanuts, asked T.H. Birdsong's five sons to relocate near his factory in Suffolk, Virginia. That plant is still in operation today.

Until 1965, all of Birdsong's business was in Virginia and North Carolina. Today the company has expanded its geography with shelling plants strategically located from the east coast of Virginia to New Mexico. Birdsong partners with farmers in eleven states and sells peanuts to product manufacturers in the United States and around the world. We also own extensive cold storage warehouses which enable us to keep our product in a protective environment until it's shipped to the customer. Finally, we have extensive farm operations in Florida and Texas where we grow peanuts on land that is 100% irrigated.

BNSF Railway Foundation

ELIGIBILITY: Pursuing a four-year degree at an accredited four-year college in the following areas of agriculture: business management, economics, sales and marketing or finance. One scholarship will be awarded to members from the following states: California, Illinois, Iowa, Kansas, Minnesota, Montana, Nebraska, North Dakota, South Dakota and Texas. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: 10 scholarships at \$5,000 each, payable at \$1,250 per year for four years, provided a cumulative GPA of at least 3.0 on a 4.0 scale and full-time student status in approved major are maintained.

SPONSOR BIO: The BNSF Railway Foundation is the major channel of philanthropy for BNSF. The Foundation administers a consistent contributions program in recognition of the company's opportunity to support and improve the general welfare and quality of life in the communities it serves.

The James C. Borel FFA Leaders Scholarship

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. History of academic excellence and public service required. Minimum 3.5 GPA on a 4.0 scale required. Applicant must have served as chapter, state or national FFA officer. Preference given to student who has exhibited exemplary leadership skills in their home, school and community.

AWARD: Approximately one scholarship at \$1,000. Not guaranteed.

SPONSOR BIO: Established by private donors and DuPont Crop Protection to honor and recognize James C. Borel for his active participation, support, leadership and guidance to agricultural education, DuPont Crop Protection business and the National FFA Organization. Borel served as the 2002 National FFA Foundation Sponsors' Board Chair. He retired from his position as executive vice president at DuPont in 2016.

Brandt Consolidated Inc.

Professional Agriculture®

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture except social services. Must be a resident of Illinois and plan to attend the University of Illinois. Minimum 2.5 GPA on a 4.0 scale required. Applicant must have participated in community service.

AWARD: One scholarship at \$1,250, non-renewable.

SPONSOR BIO: The Brandt Retail Agronomy Division provides agronomy support, fertilizer, crop protection chemicals, seed and custom application to farmer customers in central Illinois. Founded in 1953, Brandt operates 19 retail agronomy locations. The Brandt Specialty Formulations Division manufactures and markets a wide range of specialty fertilizers, micronutrients, adjuvants and organics in the U.S.A and international markets serving farmers around the world.

Bunge North America

ELIGIBILITY: Pursuing a two- or a four-year degree in select majors in agricultural production, communication, education, management, finance, sales, marketing, science, equestrian science, sustainable agriculture, engineering or public service in agriculture. Minimum 2.5 GPA on a 4.0 scale required. Applicants must exhibit strong leadership skills and reside in one of the 48 contiguous states. Recipients will be invited to visit a Bunge facility to learn more about the company and available opportunities.

AWARD: Eight scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Bunge North America (www.bungenorthamerica.com), the North American operating arm of Bunge Limited (NYSE: BG), is a vertically integrated food and feed ingredient company, supplying raw and processed agricultural commodities and specialized food ingredients to a wide range of customers in the animal feed, food processor, food service and bakery industries. With headquarters in St. Louis, Mo., Bunge North America and its subsidiaries operate grain elevators, oilseed processing plants, edible oil refineries and packaging facilities, and corn, wheat and rice mills in the U.S., Canada and Mexico.

Cal-Maine Foods

Cal-Maine Foods, Inc.

ELIGIBILITY: Pursuing a degree or certification in select areas of agricultural production, management, finance, engineering or science. Minimum 2.5 GPA on a 4.0 scale required. Applicants must be a resident of Mississippi, Alabama, Arkansas, Florida, Georgia, Kansas, Kentucky, Louisiana, New Mexico, North Carolina, Ohio, South Carolina, Texas or Utah. Applicants must have participated in community service.

AWARD: Eight scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Cal-Maine Foods is primarily engaged in the production, grading, packaging and sale of fresh shell eggs, including conventional, cage-free, organic and nutritionally-enhanced eggs. The company, headquartered in Jackson, MS, is the largest producer and distributor of fresh shell eggs in the United States. With sales of over one billion dozen in fiscal 2015, this represents approximately 23 percent of domestic shell egg consumption in the United States.

Dean Carlson Honorary Scholarship

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture at the College of Agriculture or the College of Business at Iowa State University. Preference given to applicants from Lytton-Rockwell City FFA, Calhoun County FFA or members of counties bordering Calhoun, Iowa.

AWARD: Approximately three scholarships at \$2,500 each. Not guaranteed.

SPONSOR BIO: Dean Carlson grew up on a farm in northwest Iowa. While in FFA, Dean held many offices, competed on judging teams and received his Iowa State Farmer degree. Dean graduated from Iowa State University and spent his career in the animal by-product industry in Iowa. This scholarship was endowed to provide funds so that FFA members in northwest Iowa could have the same opportunity he had in attending Iowa State University with the goal of a career in agriculture.

Case IH Future Farmer Scholarships

ELIGIBILITY: Pursuing a four-year degree in select areas of agriculture including agronomy, sciences, education, finance, management, engineering, conservation and genetics. Student must live on family farm. Student and/or family must be involved in beef or dairy cattle, corn, cotton, fruit or vegetable production, grain sorghum, peanuts, production agriculture, sheep, soybean, swine or wheat. Minimum 2.5 GPA on a 4.0 scale required.

AWARD: Three scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Case IH is a global leader in agricultural equipment, committed to collaborating with its customers to develop the most powerful, productive, reliable equipment – designed to meet today's agricultural challenges. With headquarters in the United States, Case IH has a network of dealers and distributors that operates in over 160 countries.

Church & Dwight Company Inc.

Animal Nutrition

ELIGIBILITY: Pursuing a four-year degree in animal nutrition, animal or dairy science, agricultural business management, finance, sales and marketing or agricultural engineering. Preference given to applicants with a demonstrated interest in a dairy-related career. Must exhibit strong leadership skills. Minimum 3.0 GPA on a 4.0 scale and U.S. residency required.

AWARD: Two scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: ARM & HAMMER Animal Nutrition (www.ahdairy.com), a division of Church & Dwight Co., Inc., with headquarters in Princeton, N.J., is a leading supplier of innovative dairy feed ingredients that impact each phase of a cow's life cycle. Trust ARM & HAMMER Animal Nutrition for innovative, proven and trusted nutritional solutions.

Cooperative Credit Company

ELIGIBILITY: Pursuing a degree or certification in the following areas of agriculture: Agronomy, horticulture, crop/animal/dairy/poultry or soil science, farm/ranch or livestock management, general or sustainable agriculture, communications, education, management, finance, marketing, merchandising, sales, engineering, technology, animal/plant breeding, animal/plant pathology, biochemistry, biological sciences, biotechnology, computer systems, soil/water conservation, pre-vet medicine or science and welding or diesel mechanics. Must exhibit strong leadership skills. Minimum 3.0 GPA on a 4.0 scale required. Student or immediate family must be involved in beef/dairy cattle, equine, corn, fruit/vegetable production, grain sorghum, peanuts, production agriculture, sheep, soybean, swine or wheat. Resident of Illinois, Iowa, Minnesota, Ohio, South Dakota or Wisconsin required.

AWARD: Five scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Cooperative Credit Company (CCC) was formed by Midwestern Cooperatives to provide producer financing to their farm customers and help them meet the needs and challenges of today's agriculture. CCC wishes to enhance the future of agriculture by giving back to its producers by providing scholarships to FFA members as they further their education and become a part of agriculture's future.

CSX

ELIGIBILITY: Pursuing a four-year degree in the following areas of agriculture: business management, communications, economics, finance, sales and marketing, agricultural engineering, agricultural mechanization or agriculture power & equipment. Other eligible majors include welding, diesel mechanics, communications, public relations, finance, sales/marketing, engineering and transportation – preferably in the fields of railroad, trucking or logistics. Resident of Florida, Georgia, Illinois, Kentucky, Maryland, New York, Ohio, South Carolina, Tennessee and West Virginia. Applicant must exhibit strong leadership skills. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: 10 scholarships at \$4,000 each, payable at \$1,000 per year for four years, provided a minimum GPA of 3.0 on a 4.0 scale is maintained.

SPONSOR BIO: CSX, based in Jacksonville, FL, is a premier transportation company. It provides rail, intermodal and rail-to-truck transload services and solutions to customers across a broad array of markets, including energy, industrial, construction, agricultural, and consumer products. For more than 185 years, CSX has played a critical role in the nation's economic expansion and industrial development. Its network connects every major metropolitan area in the eastern United States, where nearly two-thirds of the nation's population resides. It also links more than 240 short-line railroads and more than 70 ocean, river and lake ports with major population centers and small farming towns alike.

Darling Ingredients Inc.

ELIGIBILITY: Pursuing a four-year degree in animal nutrition, animal science, livestock management, agricultural business management or economics or agriscience technician. Attendance at a land grant college in Colorado, Illinois, Indiana, Iowa, Kansas, Nebraska or Wisconsin required.

AWARD: One scholarship at \$2,000, non-renewable.

SPONSOR BIO: Darling International Inc. is proud to be a sponsor of the National FFA scholarship program and wishes the recipient of this scholarship a great experience throughout their college years. Darling International Inc. is America's leading provider of rendering, recycling and recovery solutions to the nation's food industry.

Dean Foods Company

ELIGIBILITY: Pursuing a four-year degree in dairy science, livestock management, sustainable agriculture, food science and technology or pre-vet/vet sciences. Applicants must exhibit strong leadership skills, financial need and have participated in community service. Scholarships are available for both FFA members and non-members.

AWARD: 20 scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Dean Foods® is a leading food and beverage company in the United States and is the nation's largest processor and direct-to-store distributor of fluid milk. Headquartered in Dallas, Texas, the Dean Foods portfolio includes TruMoo®, the leading national flavored milk brand, and DairyPure®, the first and largest fresh white milk national brand, along with more than 50 local and regional dairy brands. Dean Foods also makes and distributes ice cream, cultured products, juices, teas, and bottled water. Approximately 17,000 employees across the country work every day to make Dean Foods the most admired and trusted provider of wholesome, great-tasting dairy products at every occasion. For more information about Dean Foods and its brands, visit

www.deanfoods.com.

DLL Financial Solutions Partner

Firestone

ELIGIBILITY: Pursuing a four-year degree in selected agricultural majors. Applicants must live on family farm, exhibit financial need and strong leadership skills and have participated in community service.

AWARD: 5 scholarships at \$2,500 each, non-renewable.

SPONSOR BIO: Firestone believes agriculture is among the most important vocations in the world and one of the most advanced. As the leading farm tire brand in the U.S. we understand both the need and the value to help educate the next generation in agriculture. It is why Firestone has had a long relationship with FFA and continues its strong support today through scholarships and support of the Ag Mechanics program. We are pleased to partner with FFA to achieve their mission of making a positive difference in the lives of students through leadership and success through agricultural education. If you are committed to achieving the high level of standards our future generation of ag leaders are tasked with, we invite you to apply today.

Ray Fowler/Armstrong Family Scholarship

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture with a preference in agricultural education or animal science. Applicant must be member of Lyon County Chapter (KY0072), Eddyville, Ky., and plan to attend Murray State University, Western Kentucky State University or University of Kentucky. Family must exhibit financial need.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: The Armstrong family (Randall, Dwight and Jeff) sponsors this scholarship in honor of Ray Fowler, their FFA Advisor, and in memory of their mother, Joan, for her support, encouragement and love.

Joshua R. Heeren Memorial Scholarship

ELIGIBILITY: Pursuing a degree in agriculture. Must be member of Eastland FFA (IL0197). Applicant must complete financial analysis section and exhibit financial need.

AWARD: Approximately one scholarship at \$1,000. Not guaranteed.

SPONSOR BIO: Established in memory of Joshua R. Heeren, a Monsanto employee killed in a farming accident in 2011.

Georgia M. Hellberg Memorial Scholarships

ELIGIBILITY: Pursuing a four-year degree in soil and water conservation. Applicants may also major in a discipline leading to employment in the area of soil and water conservation.

AWARD: Approximately four scholarships at \$5,000 each. Not guaranteed.

SPONSOR BIO: Established by Mrs. Georgia M. Hellberg, through her estate, for her interest and support in the preservation of land and the agricultural heritage of the country.

Cheryl Dant Hennesy Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in any area of study. Resident of Georgia, Kentucky or Tennessee required. Applicants must be female. Must complete financial analysis section of application and demonstrate financial need, as well as individual motivation.

AWARD: Approximately three scholarships at \$5,000. Freshman year is \$1,250, and the scholarship may be renewable at \$1,250 per year for three additional years if a minimum 2.0 GPA on a 4.0 scale is maintained. Not guaranteed.

SPONSOR BIO: Established by former chairman and chief executive officer of Tractor Supply Company, Thomas J. Hennesy, in honor of his wife and to provide support to FFA's young people in perpetuity.

Hoard's Dairyman

HOARD'S DAIRYMAN

ELIGIBILITY: Pursuing a four-year degree in dairy science or agricultural journalism. Preference given to applicants with agricultural communications emphasis.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Established in 1885 by Wisconsin's 16th governor, W.D. Hoard, the mission of Hoard's Dairyman is to supply dairy farmers and their advisors from North America and around the world with practical, factual information to assist in all facets of their dairy businesses. Every issue of the magazine places emphasis on feeding, breeding and animal health, as well as general farm management. Hoard's Dairyman is also available in Spanish and Japanese versions. In addition to the magazine, the company's dairy farm that was founded in 1899 is home to the longest continuously-registered Guernsey herd. For more information about Hoard's Dairyman visit www.hoards.com.

Mike Hopper Memorial Scholarship Endowment

ELIGIBILITY: Pursuing a two- or four-year degree in any major related to agriculture. Must be a resident of Umatilla County, Ore. Minimum 2.0 GPA on a 4.0 scale required. Must complete financial analysis section of application.

AWARD: Approximately two scholarships at \$1,000 each. Not guaranteed.

SPONSOR BIO: Established in memory of Mike Hopper. Mike embodied the best of FFA, from serving as a chapter officer and attaining his American Farmer degree, to carrying the values and leadership skills he learned as a student into his adult life.

Huntington University

ELIGIBILITY: Pursuing a four-year degree in agronomy, crop science, animal science, agricultural communications / business management / economics / finance / public relations or sales and marketing. \$2,500 scholarships require a minimum GPA of 3.2 on a 4.0 scale, minimum ACT of 21 or SAT of 1080 out of 1600. \$2,000 scholarships require a minimum GPA of 2.9 on a 4.0 scale, minimum ACT of 19 or SAT of 980 out of 1600. Applicant must have strong leadership skills and have participated in community service.

AWARD: Two scholarships at \$2,500 each. Ten scholarships at \$2,000 each. Awards are in the form of tuition reduction.

SPONSOR BIO: Faith, family and farming have always been uniquely connected. Launched in 2014, the Haupert Institute for Agricultural Studies at Huntington University promotes a Christian perspective on agriculture, which recognizes our responsibility to be good stewards of God's creation and to examine questions of sustainability and justice. The agribusiness and agricultural education programs meet the growing need for agriculture professionals.

Iowa Interstate Railroad LTD

ELIGIBILITY: Pursuing a four-year degree in agronomy, crop science, nursery & landscape management, agricultural business management, economics or finance, pulp & paper technology or transportation. Preference given to applicants with expressed interest in transportation. Applicants must live in Iowa and plan to attend a college in Iowa or Illinois. Minimum 3.0 GPA on a 4.0 scale required. Scholarship is available for both FFA members and non-FFA members.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Iowa Interstate Railroad, Ltd. is a regional railroad providing transportation service to customers in its rail corridor between Chicago, Illinois and Council Bluffs, Iowa. Come visit our website (www.iaisrr.com), for further information about us and our history.

IT Memorial Scholarship

ELIGIBILITY: Pursuing a degree in agriculture. Preference to applicant who demonstrates best use of new media to promote FFA and agricultural education.

AWARD: Approximately one scholarship at \$1,000. Not guaranteed.

SPONSOR BIO: Established in memory of former FFA webmaster, Lisa Stone, her husband, Dan, and Mark Cavell, former IT Division Director, in recognition of their hard work and dedication to FFA.

Johnson & Wales University

ELIGIBILITY: Pursuing a four-year degree in equine or equestrian science, agricultural communications, business management, finance, food service management, agricultural policy or systems management, sales and marketing, parks, recreation and tourism studies, hospitality, dietetics or any major offered at Johnson & Wales University. Minimum GPA of 3.5 on a 4.0 scale required. ACT of 22, SAT of 1030 out of 1600 required. Renewable for a full-time, day school student maintaining satisfactory academic progress. Must be active and support the JWU FFA chapter as a member while enrolled at JWU.

AWARD: One full-tuition scholarship valued at \$29,226. Award is in the form of tuition reduction. Renewable.

SPONSOR BIO: Johnson & Wales University is a private, nonprofit institution with approximately 16,000 graduate, undergraduate and online students at its four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, education, nutrition, hospitality, physician assistant studies, engineering and design. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal growth.

The Earl F. "Doc" Kantner Scholarship Sponsored by Ohio FFA Foundation

ELIGIBILITY: Pursuing a two- or four-year degree in any area of agriculture. Must be resident of Ohio and plan to attend The Ohio State University. Minimum GPA of 3.0 on a 4.0 scale required. Must exhibit strong leadership skills and have participated in community service.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: The Earl F. "Doc" Kantner Scholarship was established to honor Doc Kantner's commitment to Ohio FFA and continue the legacy of FFA leadership in Ohio.

Elmer J. and Hester Jane Johnson Memorial Scholarship

ELIGIBILITY: Pursuing a four-year degree in agricultural education. Applicants must complete financial analysis section of application. Financial need, leadership ability and academic standing will be considered.

AWARD: Approximately one scholarship at \$1,000. Not guaranteed.

SPONSOR BIO: Established in honor of the late Elmer J. Johnson and his wife, Hester Jane Johnson. Mr. Johnson dedicated his career to serving agricultural education and FFA.

Kikkoman Foods Inc.

ELIGIBILITY: Pursuing a two- or four-year degree in agricultural business management, food science and technology, dietetics, food service management and other non-agricultural related areas. Applicant must be a resident of and planning to attend a college or university in Wisconsin.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Kikkoman Foods, Inc. (www.kikkoman-usa.com). Since 1957, Kikkoman Sales, USA, Inc., the marketing company for Kikkoman products to the retail food service and food manufacturing industries, has been distributing products in the United States. Kikkoman is the best-selling and most widely recognized soy sauce brand in America.

King Ranch

ELIGIBILITY: Pursuing a four-year degree in agronomy, animal/crop or range science or wildlife management at Texas A&M University-Kingsville, Texas Tech University, Texas A&M University-College Station or University of Florida. Preference given to residents of Texas, Florida or New Mexico. Must exhibit strong leadership skills and have participated in community service. Minimum 2.8 GPA on a 4.0 scale required.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: King Ranch, located in South Texas between Corpus Christi and Brownsville near Kingsville, is the largest ranch in Texas. The King Ranch comprises 825,000 acres and was founded in 1853 by Captain Richard King and Gideon K. Lewis, includes portions of six Texas counties, including most of Kleberg County and much of Kennedy County, with portions extending into Brooks,

Jim Wells, Nueces, and Willacy Counties. The ranch does not consist of one single contiguous plot of land, but rather four large sections called divisions. The divisions are Santa Gertrudis, The Laureles, The Encino and The Norias. Only the first two of the four divisions border each other, and that border is relatively short. The ranch was designated a National Historic Landmark in 1961.

Bill Kirk Scholarship Endowment

ELIGIBILITY: Pursuing a four-year degree in agricultural education or agricultural sciences. Preference given to applicants with local, state or national leadership experience. Minimum 3.5 GPA on a 4.0 scale required.

AWARD: Approximately one scholarship at \$1,000. Not guaranteed.

SPONSOR BIO: Established by private donors and DuPont Crop Protection to honor and recognize Bill Kirk for his active participation, support, leadership and guidance to agricultural education, DuPont Crop Protection business and the National FFA. Mr. Kirk served as Group Vice President-DuPont Ag & Nutrition Enterprise. He has spent the majority of his career in the agriculture business at DuPont in a variety of roles in sales, marketing, manufacturing, and development. Mr. Kirk received recognition as Agri-Marketer of the Year from the US Agricultural Marketing Association.

ELIGIBILITY: Pursuing a two- or four-year degree or certification in any agricultural major except social services. Applicants must reside in Idaho, Indiana, Illinois, Ohio, Oregon, Washington or Wisconsin.

AWARD: Twelve scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Founded in 1897 in La Crosse, Wisc., the LaCrosse brand is built upon a rich heritage spanning 120 years of delivering high quality, dependable, performance-based footwear and waders for men and women to use whether for hunting, working or tending the land upon which they tread. Our boots give you the freedom to focus on what matters most to you. Because that's what matters most to us.

Arthur and Nell Lewis Memorial Scholarship

ELIGIBILITY: Pursuing a four-year degree in agricultural education. Attendance at the College of Agriculture and Life Sciences, Virginia Polytechnic and State University, Blacksburg, Va., required. Applicant must be a member of Virginia FFA and a resident of Virginia with preference given to residents of Bland, Buchanan, Carroll, Dickenson, Floyd, Giles, Grayson, Lee, Montgomery, Patrick, Pulaski, Russell, Scott, Smyth, Tazewell, Washington, Wise or Wythe counties. Minimum GPA of 3.0 on a 4.0 scale required.

AWARD: Approximately one scholarship at \$1,500. Not guaranteed.

SPONSOR BIO: Established by Wiley B. Lewis in memory of his parents Arthur and Nell Lewis, who provided loving support and encouragement for him to attend college and pursue a teaching degree.

Lincoln Electric Company

ELIGIBILITY: Pursuing fifteen week advanced welding course. Scholarship recipient must attend welding courses at Lincoln Electric's Cleveland, Ohio, plant. Recipient pays for temporary housing – housing list provided upon request. Protective gear may be purchased at the school for special student prices. The award covers the full tuition cost for Lincoln Electric's "Comprehensive Welding Program," designed to instruct welders in arc welding safety and all the common welding processes, including SMAW (stick), GTAW (TIG), GMAW (MIG) and FCAW (flux-cored). Course also covers pipe welding, oxy-fuel and plasma arc cutting and alloy and hardfacing welding. Students spend about 20% of their time in the classroom and 80% in the booth, with more than 400 hours of total hands-on instruction.

AWARD: One advanced 15-week course scholarship for the advanced welders valued at \$6,670 in the form of tuition reduction. Non-renewable.

SPONSOR BIO: Located at Lincoln Electric's headquarters in Cleveland, Ohio. Since 1917, the Lincoln Electric welding school has instructed over 100,000 men and women in the various methods and techniques of safety and arc welding processes.

Work with highly trained & qualified instructors committed to your success.

- Receive graduation certificate upon successful completion of the course
- Combine your welding skills with Lincoln's excellent reputation in the industry for producing quality students to help improve your chances of landing a great welding job
- Network with others in the welding industry

For more information on the program, call Lincoln Electric directly at 216-383-2259 or visit our website at www.lincolnelectric.com.

National Association of Landscape Professionals Foundation

ELIGIBILITY: Pursuing a two- or four-year degree in horticulture, landscape architecture; environmental or plant science; nursery, landscape or turf management; plant breeding, genetics or pathology; or sustainable agriculture. Preference to students with a direct association to the landscape industry. Student must exhibit strong leadership skills and have participated in community service.

AWARD: One scholarship at \$1,500, non-renewable.

SPONSOR BIO: The National Association of Landscape Professionals Foundation is dedicated to advancing professional careers in the landscape industry by attracting, inspiring, and supporting the education and advancement of landscape professionals who create and manage healthy green spaces for the benefit of society. The Foundation carries out its mission through public education to promote landscape industry careers by supporting efforts to recruit professionals into the industry and by granting scholarships to help students get the education they need to excel.

National FFA Alumni Association

ELIGIBILITY: Pursuing a four-year degree in agricultural education and a career as an agriculture teacher. Must be an alumni member or from an FFA chapter with an active alumni affiliate.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Alumni is a form of membership within the National FFA Organization that is designed to provide adult members of the organization the opportunity, resources and training to continue their FFA journey and utilize their time, talents, and financial resources to continue to develop students' potential for premiere leadership, personal growth and career success so that FFA can continue to grow leaders, build communities and strengthen agriculture. The National FFA Alumni Association realizes that this is achieved best at the local, state and national level by supporting the local agricultural educator so they can do what they do best – teach students.

National FFA Combined Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in any area of agriculture.

AWARD: Approximately two scholarships at \$1,000 each. Not guaranteed.

SPONSOR BIO: We send special thanks to the donors who made this combined scholarship fund possible. The combined funds include:

- Association Milk Producers Fund
- Harold Davis Memorial Scholarship
 - Established by the A.O. Smith Harvestore Systems dealers, friends and associates in memory of Mr. Harold Davis, who was the director of marketing of the company until his death in 1982
- Western Dairy Farmers Promotion Association Fund/John Elway-Melba FFA Scholarship
 - In memory of two Melba FFA members and one parent/chaperone who lost their lives in November 1987, when a Continental airplane crashed on take-off during a snowstorm while departing Denver, Colo., bound for Boise, Idaho, following the National FFA Convention held in Kansas City, Mo.
- Donald N. McDowell Memorial
 - Established in honor of Donald N. McDowell, the first executive director of the National FFA Foundation from 1969 – 1979.
- Robert Eggert Memorial Scholarship
 - Established in memory of Robert Eggert, who most wanted to be remembered for promoting education.
- Wilson W. Carnes Scholarship
 - Given in recognition of Mr. Wilson Carnes, retired editor of FFA New Horizons magazine, by his friends and co-workers to encourage FFA members to pursue an agriculture magazine publishing career.

National FFA Scholarship Funded by National FFA Staff, Board and Individual Contributors

ELIGIBILITY: Pursuing a four-year degree in agricultural education.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: Funded by the generous support of staff and board members of the National FFA Organization, National FFA Foundation and other Agricultural Education Related Organizations (AERO), as well as other individual contributors through online giving to the scholarship program at www.FFA.org.

National Mastitis Council

ELIGIBILITY: Pursuing a two- or four-year degree in animal or dairy science, agricultural communications, education, journalism, extension, sales and marketing or pre-vet/vet sciences. Applicant must have a dairy background or plan to pursue a career related to dairy and have participated in community service. Scholarship is available for both FFA and non-FFA members.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: NMC (www.nmconline.org) is a not-for-profit professional organization devoted to reducing mastitis and enhancing milk quality. NMC promotes research and provides information to the dairy industry relative to udder health, milking management and milk quality.

National Wild Turkey Federation

ELIGIBILITY: Pursuing a two- or a four-year degree in wildlife management. Minimum 3.0 GPA on a 4.0 scale required. Applicants must support the preservation of the hunting tradition, demonstrate a commitment to conservation, actively participate in hunting sports, have strong leadership skills and have work- or volunteer-related experience. Must exhibit financial need and community service. Winner shall allow National Wild Turkey Federation (NWTf) to publicize winner's name or likeness in a tasteful way for NWTf use.

AWARD: One scholarship at \$5,000, non-renewable.

SPONSOR BIO: The National Wild Turkey Federation is the leader in upland wildlife habitat conservation in North America. A nonprofit conservation organization dedicated to conserving the wild turkey and preserving our hunting heritage, the NWTf and its volunteers work closely with state, federal and provincial wildlife agencies and other partners. Through these dynamic partnerships, the NWTf and its members helped restore wild turkey populations throughout North America, spending more than \$331 million to conserve nearly 16 million acres of habitat. Wild turkeys and hundreds of other species of upland wildlife, including quail, deer, grouse, pheasant and songbirds, benefit from this improved habitat. The NWTf also brings new conservationists and hunters into the fold through outdoor education events and its Women in the Outdoors, Wheeling' Sportsmen, JAKES and Xtreme JAKES youth outreach programs. Dedicated NWTf volunteers introduce about 100,000 people to the outdoors through these programs every year. Founded in 1973, the NWTf is headquartered in Edgefield, S.C., and has local chapters in every state and Canada. According to many state and federal agencies, the restoration of the wild turkey is arguably the greatest conservation success story in North America's wildlife history.

Kenneth and Ellen Nielsen Cooperative Scholarship

ELIGIBILITY: Pursuing a four-year degree in agriculture with a major in agronomy, crop science, animal nutrition, agricultural business/farm/livestock or ranch management, agricultural economics, agricultural journalism or international agriculture. Applicant or applicant's parents/guardians must be members of an agricultural cooperative that is also a member of the Iowa Institute for Cooperatives.

AWARD: Approximately two scholarship at \$1,000 each. Not guaranteed.

SPONSOR BIO: Scholarship is given in memory of the late Mr. and Mrs. Kenneth Nielsen. He served as president and chief executive officer of Farmland Industries, Inc., from 1981-1986. The Niensens were devoted to agriculture, cooperatives and young people. They were both committed to improving economic conditions for farmers and ranchers through cooperative efforts.

John and Amy Rakestraw Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in agriculture with involvement in beef cattle. Must be resident of Colorado. Minimum 3.5 GPA on a 4.0 scale required.

AWARD: Two scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: John Rakestraw is CEO of Agra Holdings, a company engaged in cattle feedlot consulting and the sales and manufacturing of feedlot nutritional supplements. Amy is a stay-at-home mom and is involved in several volunteer activities. John had a 25-year career with the ContiGroup. He grew up in Guntown, Miss., graduating from Mississippi State University with a B.S. degree in animal science and a masters degree from Oklahoma State University. Amy grew up in Covington, Tenn., and Hattiesburg, Miss. and is a Registered Nurse. In 2003 John served as Chairman of the National FFA Foundation Sponsors' Board.

Ram Trucks

ELIGIBILITY: Pursuing a two- or four-year degree in any major.

AWARD: One national scholarship at \$3,000. Up to 92 scholarships at \$1,000 each to be awarded on behalf of participating Ram Trucks dealers. View list of participating dealers at Ram Truck Dealers. Scholarships are non-renewable.

SPONSOR BIO: At RAM, we think our future leaders in agriculture deserve a helping hand as they grow – and we prove it in our 64-year-strong commitment to the upstanding people and principles of the FFA. Our commitment to growth is also reflected in our complete line up of Ram trucks and cargo vans where we continue to lead in fuel economy, towing and payload. If you are committed to helping us grow our nation's agribusiness, we strongly encourage you to apply for a scholarship today. Visit www.ramtrucks.com for more information about our commitment to innovation, capability, efficiency and durability.

In addition to scholarships, RAM proudly supports the several National FFA award programs, the National FFA Convention opening video and National Convention and Expo.

King Ranch

ELIGIBILITY: Pursuing a four-year degree in agronomy, animal/crop or range science or wildlife management at Texas A&M University-Kingsville, Texas Tech University, Texas A&M University-College Station or University of Florida. Preference given to residents of Texas, Florida or New Mexico. Must exhibit strong leadership skills and have participated in community service. Minimum 2.8 GPA on a 4.0 scale required.

AWARD: One scholarship at \$1,000, non-renewable.

SPONSOR BIO: King Ranch, located in South Texas between Corpus Christi and Brownsville near Kingsville, is the largest ranch in Texas. The King Ranch comprises 825,000 acres and was founded in 1853 by Captain Richard King and Gideon K. Lewis, includes portions of six Texas counties, including most of Kleberg County and much of Kennedy County, with portions extending into Brooks, Jim Wells, Nueces, and Willacy Counties. The ranch does not consist of one single contiguous plot of land, but rather four large sections called divisions. The divisions are Santa Gertrudis, The Laureles, The Encino and The Norias. Only the first two of the four divisions border each other, and that border is relatively short. The ranch was designated a National Historic Landmark in 1961.

LaCrosse Footwear

ELIGIBILITY: Pursuing a two- or four-year degree or certification in any agricultural major except social services. Applicants must reside in Idaho, Indiana, Illinois, Ohio, Oregon, Washington or Wisconsin.

AWARD: Twelve scholarships at \$1,000 each, non-renewable.

SPONSOR BIO: Founded in 1897 in La Crosse, Wisc., the LaCrosse brand is built upon a rich heritage spanning 120 years of delivering high quality, dependable, performance-based footwear and waders for men and women to use whether for hunting, working or tending the land upon which they tread. Our boots give you the freedom to focus on what matters most to you. Because that's what matters most to us.

Lincoln Electric Company

ELIGIBILITY: Pursuing fifteen week advanced welding course. Scholarship recipient must attend welding courses at Lincoln Electric's Cleveland, Ohio, plant. Recipient pays for temporary housing – housing list provided upon request. Protective gear may be purchased at the school for special student prices. The award covers the full tuition cost for Lincoln Electric's "Comprehensive Welding Program," designed to instruct welders in arc welding safety and all the common welding processes, including SMAW (stick), GTAW (TIG), GMAW (MIG) and FCAW (flux-cored). Course also covers pipe welding, oxy-fuel and plasma arc cutting and alloy and hardfacing welding. Students spend about 20% of their time in the classroom and 80% in the booth, with more than 400 hours of total hands-on instruction.

AWARD: One advanced 15-week course scholarship for the advanced welders valued at \$6,670 in the form of tuition reduction. Non-renewable.

SPONSOR BIO: Located at Lincoln Electric's headquarters in Cleveland, Ohio. Since 1917, the Lincoln Electric welding school has instructed over 100,000 men and women in the various methods and techniques of safety and arc welding processes.

Work with highly trained & qualified instructors committed to your success.

- Receive graduation certificate upon successful completion of the course
- Combine your welding skills with Lincoln's excellent reputation in the industry for producing quality students to help improve your chances of landing a great welding job
- Network with others in the welding industry

For more information on the program, call Lincoln Electric directly at 216-383-2259 or visit our website at www.lincolnelectric.com.

and mailed to the following address:

National FFA Organization Scholarship Office
PO Box 68960
Indianapolis, IN 46268-0960

The FFA Vision

Students whose lives are impacted by FFA and agricultural education will achieve academic and personal growth, strengthen American agriculture and provide leadership to build healthy local communities, a strong nation and a sustainable world.

The FFA Mission

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

The Agricultural Education Mission

Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.
