

**TUTTLE SCHOOLS MAY 14, 2019**  
**BOND PROPOSITION**  
**PROJECT LIST**

- **Additional Classroom Space Districtwide**
- **Provides Safe Rooms Districtwide**
- **Tuttle Early Childhood Center**  
**Additional Classrooms and Restrooms built as Safe Rooms**
- **Tuttle Elementary School**  
**Additional Classrooms and Restrooms built as Safe Rooms**
- **Tuttle Intermediate School**  
**Additional Classrooms built as Safe Rooms**
- **Tuttle Middle School**  
**New Science/Stem Rooms**  
**More Laboratory Experience**  
**Updated Laboratory Equipment**  
**Provide Greater Experience in STEM Related Curriculum**  
**New Band and Choir Rooms: Band Room built as a Safe Room**
- **Tuttle High School**  
**Additional Classrooms**  
**New Band Room**  
**Facilitate a growing Band Program**  
**Increased Storage Space for Instruments**  
**Fine Arts Office Space**  
**Old Band Room becomes the Choir Room**  
**Provide a space for facilitation of vocal program at the high school**  
**Create an environment conducive to a growing vocal program**
- **New Practice Gymnasium/Indoor Practice Facility**  
**Provides additional space for Basketball, Volleyball, and other athletic programs**
- **Additional Football Facilities/Weight Room**  
**Will reduce the demand on the current weight room and allow more programs to utilize the current weight room built into the high school**
- **Turf Football, Softball, and Baseball Fields**  
**Allow greater use of the current football field for both football and other programs**  
**Softball and Baseball: Turf will minimize the loss of practice and game time on both fields**  
**Greatly reduce the maintenance cost on game fields**
- **Greenhouse**  
**Provide students with a hands on environment in Plant Sciences, STEM, and Horticulture**  
**Serve as a lab space for Agriculture Education, Science, STEM, and Special Education Programs**
- **Increase Paved Parking and Drive**

**NO PROJECTED TAX INCREASE**
