

**Changes to Meal Delivery for GISD Students During School Closure
Breakfast and Lunch Served Together**

Groesbeck ISD is providing meals to GISD students in a drive-thru style pickup at designated locations. Due to the need to limit exposure to others as much as possible, GISD will start serving breakfast and lunch together. Students will need to be present to pick up meals. Grab and go breakfast and lunch meals will be served Monday – Friday, beginning March 23, 2020. The breakfast that is picked up is designed for the next day. Some items may need to be heated.
