Dayton ISD ESSER III Stakeholder Input Communication Plan

Purpose: Under the ESSER III Uses of Funds Plan Requirements, the district must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plans (**Uses of Funds Plan** and **Return to In-Person Instruction and Continuity of Services Plan**).

All monthly Board Agendas have a Public Communication section with the name, email, and phone number of the person to contact if any stakeholder wishes to comment. Board Agendas are posted under the heading School Board at https://www.daytonisd.net/8547_1 on the Dayton ISD website.

An overview of the ESSER Use of Funds Plan will be posted on the District's ESSER III webpage.

The required stakeholders and the type of engagement for each type of stakeholder are listed below:
