

Here are the steps to find your student's Unique Access Code for the Texas Assessment Parent Portal (<https://txparentportal.emetric.net/login>)

1. Log in to Family Access. (Go to [www.daytonisd.net](http://www.daytonisd.net) and click the big purple button to log into Family Access!)

2. Click the link to the **Test Scores** module

3. Click the **Show Scores** link on the most recent test data row

Test Date	Test
05/01/2019	STAAR-STAAR3-8 <a href="#">Show Scores</a>

4. Scroll to the right until you find the column with the Student Portal Unique Access Code. That code, along with your child's DOB, are what you will need to access your child's STAAR results in the Parent Portal.
