Student Council Blood Drive

The School Blood Drive was a success. 36 people donated blood, 4 were deferred.

According to Red Cross figures, about 32,000 pints of blood are used every day in the United States. Although 60% of adults are eligible to donate, only 5% do regularly. ~ Info provided by Bryanna Froehlich

Cheerleading 2012-2013

On Wednesday, September 12, the cheerleaders had a meeting. We went over what will happen this year. There will be many fundraisers. Some of the money will pay for us to go to a cheer camp this summer. We are going to practice more stunts and try tumbling this year! Mrs. Butler is our wonderful coach this year. We are very excited cheering for our Indiahoma Warrior basketball teams!
