Academic Team Meet

The Indiahoma Academic team played at Snyder on Thursday, September 27. We were defeated in the first game, but came back for a decisive win the second time around. Our record for September is 5 wins and 3 losses. Mrs. Patton, the team's coach is very proud of the team and the effort they keep putting forth.

Academic Meet Schedule

October 11: Indiahoma @ Big Pasture, 4:30 p.m.

October 15: District Seeding Tournament, TBA

Halloween Carnival

Friday, October 26

It's that time of year again. Classes are preparing for the Halloween Carnival. Tickets will soon be on sale and classes will select their king and queen candidates. Past carnivals have been really fun and we hope everyone shows up to play games, win prizes, eat good food, and enjoy the coronation at the end. Anticipation is in the air. This year's carnival will be better than ever.

Elementary Basketball

Indiahoma Elementary School's first basketball game of the season was held on Tuesday, October 2nd. The boys lost by one point to Frederick, 13-14. The girls beat Frederick by 2 points, 16-14.

Parent Teacher Conferences

Monday, October 15, 3:30-7:00 p.m.

Tuesday, October 16, 8:30-11:30 a.m.

REFRESHMENTS!

You have probably heard of the A-F school grading system that was adopted by legislature in 2011. From the State Department of Education's web page: *The new report cards will also give schools a tool to encourage more parental and community involvement. It's just common sense that schools with higher levels of parent and community involvement have a better chance of succeeding.* Please help Indiahoma School make an "A" by attending your children's Parent/Teacher conferences.

High School Lobby

Outside of Mrs. Bussey's Office

12:00-12:30 p.m.

What Makes a Good Teacher

Mr. Wood is a good teacher because he connects well with the students. He cracks jokes and is fun to be around. He teaches in a way in which students can better understand. Also he encourages us to try to do our work on our own without help.

~by Eric Kenney

"You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives." ~ Clay P. Bedford
