Congratulations 1st Grade

Winners of the

Senior Citizens Canned Food Drive

Stacie Chibitty treated the first graders to lunch at the Warrior Café on Monday, March 18. Mr. Fenhaus and his students had a wonderful time and would like to publicly thank Stacie for her hospitality & good food.

Indiahoma School is proud of our first graders for representing us with politeness and good manners. They received numerous compliments about how well-behaved they were.

Thanks for donating the most food to the Senior Citizens' Christmas party and for being a great bunch of kids.

More Safety

On good weather days, our junior high and high school students are now spending their lunch time in the courtyard area instead of in front of the school.

There's more room, it's sheltered from the wind and there is more seating. The elementary classes are either at P.E. or on recess at that time so it is working out well.

Personal Hygiene

The simple acts of brushing your teeth, showering, shampooing, using deodorant and brushing your hair all add up to good hygiene practices. While these acts are simple and should be a part of everyone's daily routine, some overlook taking care of their hygiene needs, putting themselves at risk of illness, infection, poor dental health and social avoidance.
