

Second Grade Receives Donated Supplies

Mrs. Horne's second grade class received a generous donation of school supplies from Farmers Insurance. The Tammy Gitsham Agency at 11 NW 44th St. in Lawton provided items for the class to use this school year.

Ms. Gitsham personally brought two crates of supplies to school this week. She is seen here photographed with the beneficiaries of her gift.

FFA Water Wars

The FFA will host their annual Water Wars for all grades on Wed., Aug. 23rd. The event will be held in the school courtyard immediately after school until 5pm

The event is BYOT (bring your own towel) and will include:

Water kickball: 7-12th grades

Duck duck splash: PreK-6th

Soak & splash: PreK-6th and a water balloon fight. 50 cent drinks and snacks will be for sale.

Please-no white shirts.

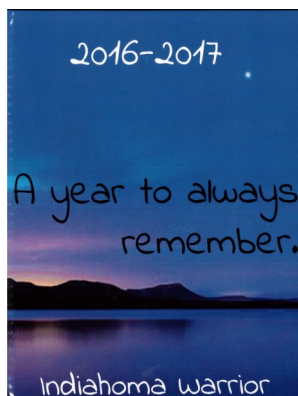

2016-17 Yearbooks Are In

The 2016-17 school yearbooks are here! We have distributed most of the books that were pre-ordered, but still have a few that need to be picked up.

Why do the books arrive in August? In order to include events that happen as late as the last day of school (preK, Kindergarten, MS & HS graduation, awards assemblies, prom etc.) we have a summer deadline.

The good news is that we ordered a few extra, so if you haven't bought your 2016-17 yearbook, there is still a chance.

Books are \$25.00 and available at the library, or you may send a check or cash with your student.

Correction:

In last week's newsletter Ciera Ulloa was mentioned as a new teacher. The article should have read that Ciera Ulloa is training as a para professional at our school in computer and physical education classes. She is sponsored by the Comanche Nation work program.

This institution is an equal opportunity provider.

Looking for Material Scraps

Mrs. Runnels' Fashion Marketing class will be making their own clothing for the fashion show this year. If you have any material scraps that you won't be using and would like to donate, the class will happily accept!
