Get Your Stocking Stuffer from TSA

The Indiahoma TSA (Technology Student Association) is selling Indiahoma, OK key chains for \$3.00. The chains indicate Indiahoma on the map with a star and feature a cut-out IHS and raised Warriors letters. They are created by the technology department's 3D printer.

The Junior High Student of the Month is Jim Haney. He is pictured below, to the left, with his father. **The High School Student of the month is Johnathan Anderson** pictured below, right.

Book Fair

Thank you to Darlene Fontenot and Lisa Young for helping Ms. Whitman with the book fair last week. Your donation of time is greatly appreciated and goes a long way in preservation of Ms. Whitman's sanity. Thank you so much for investing in our school!

Elementary School Academic Team

The Indianhoma elementary academic team traveled to Central High to compete in a tournament this last week, where they placed second.

The meets consist of rounds where student are asked questions in categories such as science, math, current events, pop culture, sports and history. The contest is Jeopardy-style in that a question is asked and each student has a buzzer. The student that buzzes first gets to answer the question. If a correct answer is given, the team receives points and is given a bonus question. The bonus question is not up for grabs for the other team, they are not allowed to answer. Only the team captain may answer a bonus question, but team members may suggest answers to the captain.

If the first buzzer gets the answer incorrectly, then the other team gets to give an immediate response. If they do not give their answer immediately, then the reader gives the correct answer and no bonus question is given. Play moves on to the next question.

The game requires concentration and self discipline as you have to be quick to buzz, but then slow yourself down to wait for the reader to call your team name followed by your name. If you answer too quickly, you are disqualified from the question and the other team can give an immediate response, even taking the answer you just gave. Team members must also restrain from giving out answers to bonus questions, only whispering answers to the captian. The captain remains in the game at all times, even though others may be substituted. They will have the pressure of choosing between the answers of teammates during a bonus round, all within a time limit.

Indianhoma Hosts Archery Meet

The Indianhoma Archery team of 30 members hosted the Snyder elementary, middle and high school teams last Wed., Dec. 6th. Snyder brought just shy of 54 shooters, making the total around 84.

Archers shoot a practice round at ten meters, followed by three scored rounds. Five arrows are shot in a round and arrows hitting the target are worth between 1 and 10 points. The students pull the arrows of their target-mate while a third person records scores. Archers then move back to 15 meters and repeat the process. A perfect score is 300.

The top three archers in each division are:

1st: Grant Breeze of Snyder-199 pts., 2nd Sarah Whitman, Indianhoma-191 pts., 3rd Joesyah Johnson, Indianhoma. Middle school: 1st Trace Thomason of Indianhoma, 2nd was a three-way tie between Antonio Reyna, Indianhoma, Jordan Chapa and Tamera Rivera both of Snyder. High school: 1st Brodie Morris, 2nd Quinton Vaughn, & 3rd Nathan Hale, all of Snyder.
