Lawton Christian Academy Band Entertains Students

The Lawton Christian Academy Band had feet tapping and heads bobbing during a concert performed March 25th. The auditorium was full of pleased students who happily put away the books for the festive music of the band. Not only was the concert enjoyable, but educational. Information about instruments and the way they are played was given between sets.

The afternoon was a great time to get students interested in playing instruments as our music program buds here at Indiahoma. Ms. Lori Gray has been working with upper elementary through high school on vocal music, music theory and instruments. She is starting a class for interested students to learn the violin. The classes will take place during the after school program.

Students, Staff and Community Line Up to Save Lives

The Indiahoma student council held its third blood drive this last week. The Oklahoma Blood Institute was on-site to take donations during this critical time of year. Blood is always needed when spring break rolls around. We would like to thank all of those who donated!
