“Courage does not always ROAR. Sometimes courage is the quiet voice at the end of the day saying, ‘I will try again tomorrow.’”

Scrap Metal Needed to Benefit Athletic Program

Turn your trash into treasure for the Indiahoma boys sports program! Joe Chebahtah would like donations of scrap metal to include: household appliances such as kitchen stoves, refrigerators, and washing machines. Outdoor equipment such as lawn mowers (push or ride) and garden tillers are recyclable as well. These are just a few ideas to get you started, but Mr. Chebahtah will take any scrap metal items you are no longer in need of. The proceeds will be

donated to the Indiahoma boys athletic program. Please call Mr. Chebahtah at 246-3356 if you have unwanted items for donation. If Mr. Chebahtah does not answer, please leave a message and he will get back with you as soon as possible.

Mark Your Calendar for Picture Day

Blunk’s Studios will be on campus Friday, September 5th for school pictures. Individual pictures will be taken first thing in the morning, followed by junior and senior high softball, cross country, clubs and organizations.

Look for flyers coming home Friday, Aug.29th for individual and sport group picture packages. You will only need to send money on picture day if you are ordering a sports package. Portraits will be ordered from a proof that will be sent home with your student.

School Holiday

Sept. 1st.

School will be out September 1st for the Labor Day holiday. We will resume school at the normal time Tuesday, September 2nd. Please enjoy a safe holiday as we say goodbye to the summer of 2014.

After School Program a Hit with Students

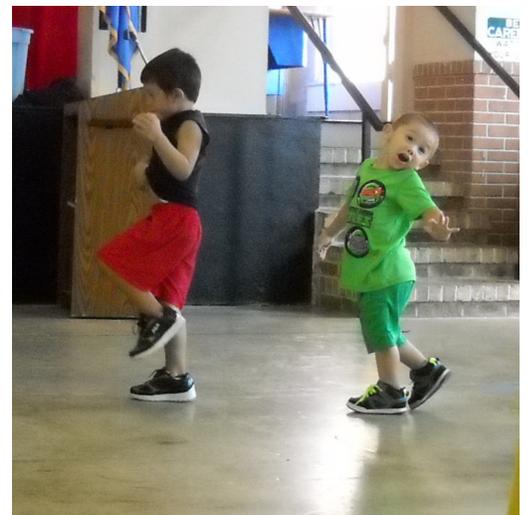

Indiahoma kicked off its after school program Monday, August 25th. Elementary and secondary students are treated to an after-school snack followed by thirty minutes of homework tutoring. This helps students to get their work done at school so that time at home can focus on family.

Students then report to enrichment classes. Elementary students will rotate to a different class each day, providing a well-

rounded experience.

Secondary students may receive help with subjects or take robotics on Monday and Tuesdays with Mr. Wood. Mr. Hodges will begin an ACT prep class on September 10th at 3:30 p.m.

Yearbook Theme Sought

The yearbook staff is looking for theme ideas for the 2014-15 yearbook. Students may submit a theme idea in the library. The student with the winning idea will receive a *free yearbook*.

Softball teams battle heat, opponents.

Lady Warrior Jr. and Sr. high softball took the home field in the blistering heat Aug. 25th to face Chattanooga. Both teams came up short but continue to improve their game.

New Books Arrive in Library

The school library received several new books over the summer. They are processed and ready just in time for the new school year.

Ice Dogs by Terry Lynn Johnson is a story about Victoria Secord, a fourteen-year-old dogsledder who has lost her father. She has felt lost herself since his passing. She clings to his teachings of survival skills in the unforgiving Alaskan bush. When an injured "city boy" and a freak snowstorm catch Victoria and her dog team by surprise, a routine trip becomes a life-or-death trek through the frozen wilderness. AS temperatures drop and food stores run out, Victoria must find a way to save them all in this high-stakes, high-adventure middle grade novel of endurance, hope, and finding your way back home. AR level 4.6, 6pts.

The Finest Hours: The True Story of a Heroic Sea Rescue by Michael J. Tougas & Casey Sherman is the recounting of the rescue of more than 30 stranded sailors. The event takes place in 1952, when a New England storm literally tears two oil tankers in two. With the storm in full force and waves up to 70 feet high, four Coast Guardsmen head out in a tiny lifeboat to risk their lives for those of others. It is a riveting story of heroism and survival. AR level 7.5, 6pts.
