Glasses For Africa

Juanelle Webster's cousins are going on a mission trip to Africa in September. Her cousins will be working with a group of doctors who will match used American glasses to the needs of people in Africa.

If you have any old glasses that you are no longer using, please consider donating them so someone less fortunate can use them to see. Any and all glasses are accepted. Broken glasses can be repaired. Nonprescription glasses can be used to repair broken ones.

You can bring or send your glasses to the school library. Thank you for your help!

“The unselfish effort to bring cheer to others will be the beginning of a happier life for ourselves.”
