8th Grade Interviews

To improve skills such as speaking, writing, and note taking, 8th grade students will be interviewing Indianhoma School staff members. I let them practice on me first. If you work at IPS, your turn is coming. Interviews will be published in the School Newsletter as “Spotlight on Staff” articles. — Mrs. Perry

How Much do You Know About Mrs. Perry?

Have you met the same Mrs. Perry as me? I had the chance to interview Mrs. Perry and I learned that she has a pretty cool past. She took German when she was in high school and then studied German and linguistics in college. While in college she applied to study abroad in Germany and spent a year in Heidelberg where she studied the language and culture. She got her Bachelors Degree from University of California at Irvine and then got a Masters Degree in Linguistics from California State University at Fullerton.

Some of Mrs. Perry’s favorite things are giraffes, Christmas and Thanksgiving, Harry Potter, *Hunger Games*, books, and being a librarian. Her favorite book is the Bible because she gets stuff out of it that can help her throughout the day.

All of these things make Mrs. Perry a good librarian and very good at her job. She will always have a job at Indianhoma. You can read more about Mrs. Perry and what she does at Indianhoma Public School on our school website: www.indiahoma.k12.ok.us.

Baseball is 90% mental and the other half is physical. ~ Yogi Berra

It took me 17 years to get 3000 hits in baseball. I did it in one afternoon on the golf course. ~ Hank Aaron

People ask me what I do in winter when there’s no baseball. I’ll tell you what I do. I stare out the window and wait for spring.
