Spotlight on School Staff

Juanell Webster

Mrs. Webster has three children: Chris, Crystal and Jay. She also has a nephew, Arthur, who is like a son to her. Her grandkids are Gracie, TinTin, Aiden, Madison, Taylor, Jake and Josh. Although she has many children and grandchildren, she still makes time for fun. She enjoys traveling and has been to London and Austria. She also loves to crochet.

Mrs. Webster has helped in many different areas at Indianoma School. She is known for being a hard working woman. She works hard for her students and her family. Let me tell you she is the best at whatever she does.

Faron Griffin

A teacher working at Indianoma Public School as a history teacher, Mr. Griffin is a very educated and fun teacher. Since the 9th grade, Mr. Griffin knew he wanted to become a teacher or a football coach. He has always liked history so he found the right job. He didn't become a teacher right away though. He needed confidence to go through 4 years of college. He had a feeling that God wanted him to teach so he took education classes in college to teach us today. He has been teaching students for around 18 years.

Mr. Griffin has a wife and two children, Cassidy and Emily. He enjoys hunting, raising bulls and training horses.

Reading is the Single Most Effective Summer Activity to Prevent Summer Learning Loss!

The research is in, and it is conclusive: students who read as few as six books during the summer months gain or maintain their reading skills achieved during the previous school year, while students who do not read during the summer months may fall back as much as a grade level in their skills.

Lawton Public Library Summer Reading Club

There are two parts to the Summer Reading Program:

The First Part? Fun-Filled Performances on Wednesdays

The Second Part? **READING!!!**

Enjoy the performances! Just show up at either 11:00 or 1:30 on the days the programs are scheduled

Enjoy the reading! Register at the library to receive your reading log (a form on which you write the titles of the books you have read). Read the books and write their titles in your reading log. Each time you read 5 books you may bring your log in to receive a gift (a sticker, a trip to the *Treasure Chest of Toys*, or other fun stuff). After 20 books are read, you will receive a special certificate and a ticket for a free item at one of our sponsoring restaurants.
