## High School Basketball Opens Season

The high school basketball teams opened their season on Tuesday, Nov. 1st, traveling to Fletcher and splitting the games with the Wildcats.

The girls suffered a loss to the Lady Cats after getting into foul trouble. The Lady Warriors will seek revenge in a rematch on November 11th in their own house.

The boys fought hard and gave it their all. They came out on top with a 53-34 win over the Wildcats. Our teams took to the road again on Friday, Nov. 4th.

They faced Lone Wolf, a new foe to our basketball schedule.

The trip was even more successful than the first with the Lady Warriors winning 40-33. Emma Roberts and Naomi Robinson lead the scoring chart ending with 9 and 13 points.

## Calling all Grandparents, You are Invited to Grandparents Day Festivities

The annual Grandparents Day assembly honoring our valued relatives will be held at 10:00 a.m. on Friday, Nov. 18th in the auditorium. The PreK-6th grade will be performing a salute to Thanksgiving program.

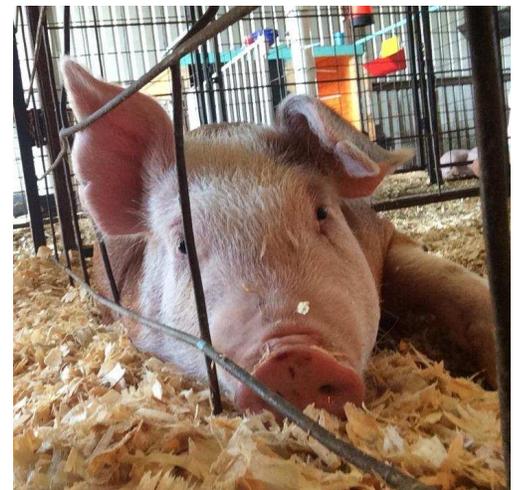

All grandparents are invited to a delicious lunch with their grandchildren immediately following the program. Please come out and enjoy the morning with us!

The boys were in a tough situation. Luckily they have a great coach with a lot of basketball IQ. Christian Adair finished with 21 points, all from the 3 point line. The boy was on fire in the first half. The Warriors finished off the win 50-38.

## Livestock Arrives

The excitement buzzed through the classrooms as students spoke about the upcoming livestock show season and the arrival of their new animals. Students rushed to the Ag. barn to be introduced to pigs brought in by former Indianhoma teacher Eric Hodges. Sheep and a couple of goats round out the menagerie. The affection and care for the animals is already palpable in the barn atmosphere.

## Weekend Warriors

### Saturday Basketball Camps

Weekend Warriors is a unique basketball training opportunity designed to help kids in our community grow their skills and develop a passion for the game of basketball. We will focus on the fundamentals that are most necessary at each level of development. This includes but is not limited to footwork drills, fundamental dribbling, and shooting mechanics. These basketball camps will ensure the continued competitiveness of our program. These camps will not guarantee that each player will be a standout player with a future in collegiate athletics; however, we do guarantee that if your player will listen, they will improve their skills!

**Camp runs from 9:00 a.m. to 12:00 p.m. every Saturday (excluding holidays) starting Nov. 19th.**
