TSA Officers Go To Leadership Conference

Three Technology Student Association (TSA) officers attended the annual Fall Leadership Conference in Weatherford this last week. Students heard a key note speaker and then break-out sessions. They learned that there will be new rules for TSA competitions next year. One of these rules is the requirement of a resume' for each contest they enter. Students may enter up to six events, meaning that they will have to create six resumes to compete.

The officers enjoyed a short stop at a windmill farm to round out their day.

Indiahoma Cross Country Continuing to Improve

The Indy Cross Country team traveled to Hinton to run through Red Rock Canyon State Park. The park hosted a meet for small schools to compete in 1 mile, 1 1/2 mile and 3.1 mile runs. Our runners continue to improve as they travel to meets. Some had to run longer distances on this track than they have in the past.

Freshman Elizabeth Salinas placed seventh in the high school girl's race. She had to move up to high school as the meet divided the 7th and 8th into middle school and the freshmen were moved to high school.
