Tub-Conchita Johnston  
Scarecrow decoration-Dennis Mayo  
Bamboo cutting board- Lisa Jones  
4 Beautiful Christmas ornaments-Jill Treisa  
Bean bag toss-Chris Webster

## FFA Chapter Keeping Busy

The Indianhoma FFA has had a busy few weeks. They have participated in shows to include the Weatherford Classic, Cyril, Cement and Fletcher fairs and are preparing for the county fair in Lawton. Several of the students have switched species that they are showing and in the process have learned a lot of new things.

Logan Lynn and Katelynn Kimble have gone from swine to sheep. Rebekah Whitman

has hung up her goat halter for a chicken coop and Trace Thomason has replaced his heifer showing with swine.

The chapter also participated in the town birthday celebration with a float and worked hard cleaning up the pig barn during a barn clean-up event.

Finally, the students have been selling Blue and Gold sausage, bacon and chicken to the community. There is no rest for these hard-working kids. We are very proud of them and happy to have Mrs. Horne as our new agriculture teacher/FFA sponsor!

## Patriot Program

**The 6th grade will present a Patriot Day program at 1:30 pm , Tues., Sept. 11th in the auditorium. Student & readers of the month will be honored.**

# Cross Country members keep pushing

This past week our Indy Runners Cross Country Team competed in the first meet of the season at Marlow!! We had quiet a few new runners this year who have never competed in cross country! This meet is great for beginners as it gives them a chance to learn how fast to start off, but yet leave enough fuel in the tank to run the remaining course and

finish strong!! Although everyone did well at this meet, Jaden Davis placed 8th with a mile run of 6:26!!

Our second meet of the season was Sat., Sept. 1st in Duncan! Once again Indy Runners ran against larger schools in 3A & 4A divisions. Most shaved some time off their PR (personal record) times!! Alexis came in

just shy of medaling at 27th place running 2 miles with a time of 16:53! Jaden Davis ran 2 miles in 13.38 taking 4th place!! Our next meet is the Elgin Meet on Friday the 7th in Lawton at the Soccer Fields, 10am! Please come out and support these hard working kids as we hope to place again!

## Rockin' Art History

Ms. Whitman's art classes recently took part in a new town tradition: rock painting & hiding. Students researched an artist of their choice, looking up the place and time the artists worked, as well as the movement/style their work was associated with. They then drew upon the artist's work to design a painted rock.

After presenting their artist and rock to the class, students hid the rocks around the school block for others to find. You may follow their journey and participate in all the fun yourself, by going to Indy Rocks on facebook. There you will see which rocks were found and re-hid.

You may also paint rocks of your own to hide. Join in the fun of hunting for rocks as well and post your finds. You can also post hints to finding rocks you hid.

Don't forget to paint "#Indy Rocks" on the back of your rock. When looking on facebook, be sure to search for Indy Rocks with a space and no quotation marks. There is a similar group: Indy "Rocks" (with quotation marks) that is not associated with Indianhoma.

## What's Next?

**Sept. 7:** Cross country, Elgin meet at Lawton Soccer club field (Lee Blvd & I 44), all day

**Sept. 10:** HS softball @ Mt. View/Gotebo, 4:30 pm
