## Assembly Honors Patriotism, Victims of 9-11 & Top Students

Indiahoma Elementary held its first assembly last Thursday. The fourth grade performed, singing several patriotic songs and ringing chimes to several others. This required each student to ring a certain note during the song, working as a team to piece the music together. Students also explained to the assembly the events of Sept. 11, 2001. They told the audience the meaning, and gave characteristics of, the word “patriotism.”

After the performance, Superintendent Voegeli awarded birthday pencils to students celebrating birthdays in August. As a finale students of the month and readers of the month were honored with a certificate and Wal-Mart gift card. Congratulations students, we are proud of you. We are looking forward to seeing your talents next month.

Readers of the month: Rylee Morgan, Gracie Webster, Timber Neugebauer, and Rebekah Whitman

Students of the month: Dawson Banks, Luke Romano, Madilyn Pierson, Justin Williamson, and Tenley Webster.

## Recycling Program Results-So Far

On Wednesday, Sept. 10th, Joe Chebahtah delivered the first load of scarp iron to Lawton Recycling. He received \$103.50 that will be donated to the Warrior athletic program. The program is on-going, so please call Joe at 246-3356 if you have recyclable metal you would like to donate. Leave a message if there is no answer.

Mr. Chebahtah and the boys’ sports program would like to thank Michelle Cook, Ronda Meyers and Shawna Tanner for their contributions.

## Community and Students Show Up to Give Blood

Students and community members lined up Wednesday, Sept.10th to donate blood during the student council blood drive. This year was a great success with 32 donors participating. For many, this was their first time to donate. Anxious feelings soon gave way to the satisfaction of helping others and, possibly, saving a life. Donors were rewarded with the choice of an OU or OSU bedlam t-shirt, cookies and drinks.

## Lady Warrior Softball Would Like to Say “Thank You!”

The Lady Warriors softball team would like to acknowledge concession stand workers to include the moms that made cookies and the ladies who always have the concessions ready. A big “Thank You” also to Steve and Woz for cooking mesquite burgers and hot dogs.

Concession money goes back into the program. Last year the proceeds purchased new bases, a stadium water hose, fittings for the water line, lawn mower batteries, windows and labor to install them in the concession stand, new uniforms and other misc. items.

Thanks also to the boys at the score table and to Colby for always doing what

needed to be done. A special “Good Job” to our coach Deryn Cook. He has given many hours preparing our fields, a hard thing to do with ‘no water.’

Thank you to Joe Bland for the wiring to move the score table to the home side of the field. Last, but not least, thank you to all our fans that follow our games.

We have two more home games this season. They are Sept. 15th hosting Altus JV and Sept. 16th hosting Navajo.

The HS Lady Warriors routed Grandfield 15-2, Granite 8-6, & crushed Navajo 6-1 this week in regular season
