To whom it may concern,

Tarkington ISD Transportation department's primary goal is to provide a safe and efficient bus stop for our students. With this goal in mind, this letter is to inform you of your students bus stop change on the roads listed below. All students that live on the right side or left side of the road on one of the roads listed below will be picked up/dropped off on the door side of the bus. For safety reasons students will not cross in front of school buses on busy roads or major highways. The following roads will be affected. This change will go into effect on August 20, 2018.
