Come and join the staff at Tarkington ISD for three days of football and fun as we prepare for the 2019 Football Season! Head Football Coach Zach Bass and his staff are excited to meet their future Longhorns!

Our objective during this camp is to provide professional instruction on the fundamental skills of football. We will maintain a healthy, safe and entertaining environment where our youth can grow as both athletes and football players. A certified trainer will be at the camp's disposal and water breaks will be scheduled daily during all sessions, as your child's safety is our first priority.

CAMP DETAILS

Each session of the camp is specifically altered for the age group attending. Camp staff will focus on beginning skills for younger kids, working toward sharpening skills and giving position specific detail for the older kids. Our goal is for your child to attend this camp each year. Younger kids will prepare themselves for middle school and middle school kids will prepare themselves for high school.

Our annual football camp will be an important tool for building Championship level teams year in and year out. We are looking forward to our involvement for years to come.
