Make-Up Hour Contract

This contract is being put in place to address the issue of excessive absences by

during the _____ school semester. A student can legally have 9 absences, excused or unexcused, and receive credit for a class. Once a student reaches 10 absences, he/she risks receiving NO credit for the class regardless of the grade. This is NOT a truancy issue, but a credit issue.

This contract is an attempt by the school to work with the student in order to recover possible lost credits. Students can make up hours by being at school outside his/her regular school day. The following opportunities are available for students needing to make up hours:

- After school detention 3:45-4:45 Tuesdays/Wednesday – Room 403 (Gregory)
- Saturday class 8:00-12:00 Dates:
- Seniors with early release 2:49-3:49 – ISS Room (J Baker)
- **Students must stay the entire time which will include time after the bell for early release seniors. Students must bring something to work on for the entire time.**
Students who arrive with nothing to do will be dismissed and not receive time credit. No hours may be made up with individual teachers during tutorials.
- **Students will be given a date to have hours completed. If hours are not completed by the assigned date, the attendance committee will meet to discuss loss of credit.**

Please make up _____ hours by _____

If these hours are not made up, you will lose credits. Also, further absences will increase the number to be made-up, so future attendance is crucial. Please direct any questions you may have to assistant principal, Clint Fisher, at 281-592-7739.
