

March 26, 2018

Dear Parents/Guardians,

The window for dyslexia referrals is now open. If you feel that your child has any of the characteristics associated with dyslexia and would like for KISD to screen or test your child, please contact myself or Mrs. Owen so that you may pick up the appropriate paperwork from the elementary office. If you would like to have more information about dyslexia, you may access the Texas Dyslexia Handbook (revised 2014) on TEA's website using the following link <https://tea.texas.gov/academics/dyslexia/> or you may contact me for a printed copy.

If you have any questions, please do not hesitate to contact me.

Thank you,

Ashlee Crabtree  
KISD Dyslexia Therapist
