

## **IDACA Special Education Services**

**IDACA**

In accordance with the provisions of Federal and state law, it is the policy of this district to provide a free appropriate public education for every exceptional child (as defined by K.S.A. 72-962) who is a resident of this district or attends a private or parochial school located in this district. Special education services are provided for such children, including individual educational programs offered in the least restrictive environment.

### **Child Find, Identification, and Eligibility**

The district shall coordinate and maintain a system which schedules and structures available services for pupils who are referred to determine eligibility for special education services in accordance with procedural processes established in Federal and state law.

### **Actions and Due Process for Students**

Parental involvement and cooperation is important to the success of these educational programs. In order to encourage the involvement and cooperation of parents in special education services and to safeguard the rights of exceptional children to a free appropriate public education, the board utilizes and refers parents to the "Procedural Safeguards in Parent Rights in Special Education" published by the Kansas State Department of Education.

In the provision of special education and related services, the district will implement all Federal and Kansas statutes, rules, and regulations.
