Bobcat Families,

We are excited to announce that the USDA has now extended the SSO waiver through June 30, 2021 allowing all children ages 0-18 to receive breakfast and lunch meals at no cost. This is a great opportunity for children both onsite and offsite to receive nutritious meals **free** of charge and for children to experience a variety of delicious menu items daily.

Free meals may be picked up by offsite children or parents/guardians of children ages 0-18 at the back door of one of our four Cafeterias. Please ring the doorbell and a Cafeteria Staff Member will bring a to-go box out to you.

Lunch: 12:30-1:00

Intermediate Cafeteria: 908 W Freeman
