November 10, 2021

Dear Parent,

The Berryville School District would like to share that we contract with the OUR Co-op to serve our students with disabilities ages 3-5 years old that reside in the Berryville School District. We pay the Co-op annually to evaluate and provide Special Education and related services (Speech, OT, and PT) to all students who qualify.

As part of our annual public child find campaign, we want to make sure everyone has the information they need to refer a 3-5 year old child for special education services as early detection and intervention is the key to helping the child become successful.

If you suspect your preschool child has a developmental delay or speech impairment and would like to refer your child for Early Childhood Special Education services, please make a formal referral to:

OUR Co-op
Lanna Bullington, EC Sped Supervisor
lannab@oursc.k12.ar.us
870-302-3091 ext. 126

Or you may call or e-mail and I will personally send the information to Mrs. Bullington.

Apryl Harmon, Special Education Supervisor (Berryville School District)
AHarmon@bobcat.k12.ar.us
870-480-4639

In summary, our goal is to make sure all parents and child care providers understand that Early Childhood Special Education services are available to children ages 3-5 years old at no cost to families, and any child care provider or parent can refer a child.

Sincerely,
Apryl Harmon
