

A huge congratulations to our LHS Choir for their performance on Friday at the State Choir Competition! We received 2nd division scores, and placed 6th in our division! We were up against some very tough competitors, and I am so proud of these young musicians and the hard work that they have put in! Although we did not come home with a trophy, we represented Lovington in an outstanding way! We are proud of the effort and the outcome!

Thank you all for your support of our Choir! These type of events would not happen without alot of "behind the scenes" work and help, and it is greatly appreciated! Go Cats!
