

Mrs. Q's LHS News

The last time this picture was shown, we were welcoming back students Hybrid Style. Now I am so thrilled to announce we are back, full time, Monday through Friday! It has been a long, torturous, and adventurous year with many ups and downs. Nonetheless, we are BACK Wildcats! No more cohorts, just all of us under one roof together. ☺ Some of our students chose to stay online. We support their decision while missing them as well. We will continue to practice Covid safe protocol on campus. A video is also posted on our webpage reminding you of the procedures. Click [here](#).

As we continue with our spring semester, I want to remind you of the importance of getting into a routine of checking your learning platforms (google classroom, canvas) and the importance of attending school. Get your work done! Do not miss! Do not fall behind!

Shout Outs in Wildcat Country: Congrats to our Science Olympians who represented LHS with integrity and a fighting spirit. Ranked in the top 8 in the state. Our Cross Country Teams took 8th place overall at State and did outstanding. Both teams are District Champions and we house the individual district champs Derick Castellanos and Vanessa Gallegos. Our girl soccer players are making waves on the field and our boy soccer team is #1 across all classifications, shutting out their opponents. Football is on the way to a Bowl Game to be played at the University of New Mexico football stadium on Thursday, April 1st. We are ranked #2 in the State. Volleyball continues to improve and leaving it all on the court. Robotics are staking their name with the Texas schools and Rocketry Program is preparing to launch their rockets soon! Our first ever English Expo Team did an amazing job at competition outscoring others in a big way! Seventeen of our 21 students medaled. Wildcats continue to represent Wildcat Nation with hard work, grit and a “never giving up” attitude.

Seniors:

We WILL have a graduation this year! More information to come. Stay tuned.

Mark the date: May 23rd at 3:00pm

Take care of your grades. As of today: **35 more days!**

Here are a couple of items to be mindful about:

- ***Progress Reports** to be sent April 7. *This is not a “pass or fail” school year. You **MUST** pass your courses to receive credit. Your credits are what get you across the stage in May of your senior year.
- A reminder: you receive credit by passing (60 and above) and completing your semester exam. Your teachers want you to be successful...meet us halfway. You can do it! I would put this student body up against any other high school in the state. Wildcat Nation!
- *Tuesdays are no longer our LIVE ZOOM teaching days.
- *Tutoring Hours posted on our Web Page. Your teachers want to help you!
- * Refer to our Web Page frequently as we are updating it weekly.
- *Read your emails from your Counselors/Advisors...very important information.

*If you are experiencing abnormal stress and anxiety, talk to someone. We care about you mentally, socially, academically, and emotionally. Reach out to someone. Don't forget your Advisors are always available. (Mrs. Munoz, Miss Campos, Mrs. Ornelas). Our wonderful secretaries are ready to assist you when you call in. Please reach out, so we can trouble shoot. Mrs. Bogan, Mr. Williams, and I are here for you. We are #wildcatstrong!

Dates to Remember:

- 4-1 Early Release at noon**
- 4-2 No School**
- 4-7 Progress Reports sent via email**

Stay Safe and Love Big!
