If you are experiencing abnormal stress and anxiety, talk to someone. We care about you mentally, socially, academically, and emotionally. Just know you are not alone. Your teachers miss you and have shed some tears themselves...they have regrouped this summer and await your presence on campus.

Our wonderful secretaries are ready to assist you when you call in. Please reach out, so we can trouble shoot and answer any questions. Mrs. Bogan, Mr. Williams, and I are here for you always!

Here are a couple of items to be mindful about:

- *Our different organizations have a link on our Web Page. Go there for updated information. Get involved!

- *This newsletter is posted monthly on our school web page and will be for now on.... We want you to refer to our Web Page frequently as we are updating it weekly. Here you will find information needed.
