- Q. In a case where a student is hospitalized or removed from instruction or the school setting for longer periods due to illness, accident, or other circumstance, the HISD point of contact, campus principal and/or the high school instructor must notify the OnRamps Associate Director of Partnerships or OnRamps Support immediately to determine if eligibility for enrollment may continue, which decision will be made by OnRamps on its sole discretion.

Data Sharing Agreement

DATA SHARING AGREEMENT
BY AND BETWEEN
Hudson ISD
AND
ONRAMPS
AT THE UNIVERSITY OF TEXAS AT AUSTIN

Pursuant to this Data Sharing Agreement and underlying Interlocal, Hudson ISD (HISD) agrees to provide individual student-level data to OnRamps at The University of Texas at Austin (UT Austin) for the purpose of implementing, billing, and evaluating the OnRamps dual enrollment program and informing OnRamps students of academic opportunities at UT Austin. HISD hereby appoints OnRamps as a legitimate educational official of HISD in accordance with the Family Educational Rights and Privacy Act (FERPA). Likewise, OnRamps hereby appoints HISD as a legitimate educational official of OnRamps in accordance with FERPA. OnRamps agrees to provide individual student-level data to HISD for the purpose of evaluation, accountability, and student record-keeping. The terms of this Data Sharing Agreement are in effect until August 31, 2024 unless terminated in writing by one or both Parties.

1. Data type and exchange timeline

HISD Designee for Student Data and OnRamps will coordinate data exchange for all OnRamps program participants for the 2023-2024 academic year, as follows:

Responsible Party	Time Period	Type of Data
OnRamps	August 2023 – July 2024	Throughout the academic year OnRamps will provide information about student enrollments, including course rosters, college course eligibility status, and final grades. Access to the district portal will be limited to pre-identified campus and HISD personnel who must obtain a UT Electronic Identification and password in order to access the portal. The following enrollment and performance data is provided throughout the academic year, as information becomes available. • Course enrollments • Eligibility status • Eligibility letter grade • Final letter grade • Credit decision (credit accepted or declined) • University transcript grade

		• Student qualifying status for OnRamps reduced course enrollment fee • Student qualifying status for accommodations under IDEA or Section 504 • Student orientation completion status
HISD	December 2023 – February 2024	In order for OnRamps to identify students who qualify for the reduced course enrollment fee, OnRamps must obtain Student State IDs. HISD will provide Student State IDs for all enrolled students. Based on the Student State IDs, the Texas Education Agency (TEA) identifies students who are eligible for a) free or reduced-price meals or b) other economic disadvantage criteria based on PEIMS data (codes 01, 02, or 99). OnRamps then applies the reduced enrollment fee to these students' enrollments. • TEA-assigned TX-UNIQUE-STUDENT-ID (StudentUnique ID)
HISD	May 2024 – July 2024	In order for OnRamps to engage in ongoing learning about student experiences, high school grades are exchanged. • High school grade in OnRamps course, semester 1 • High school grade in OnRamps course, semester 2 • High school grade in OnRamps course, cumulative

2. Data protection

All data will be exchanged using secure systems and in an encrypted, password protected electronic format by HISD and OnRamps.

OnRamps endeavors that in all reports, electronic or otherwise, derived from information made available under this Data Sharing Agreement, all data shall be aggregated in such a way that no individual will be identified directly or by deduction. OnRamps further endeavors that the data elements will not be released to a third party without written parental or student (as applicable) consent.

While in possession of this data, both Parties shall permit access only to employees and contractors authorized to assist in the implementation or evaluation of OnRamps or other UT Austin program to have access to the data. Both Parties agree to store the data in an encrypted format, in a secure area and to prevent unauthorized access.

UT Austin will return to HISD and/or destroy all personally identifiable data when the study is complete.

3. Information shared with TEA

- Rosters of individual students, including student state ID, for all students enrolled in an OnRamps course at fall or spring census to determine student eligibility for reduced course fee, AND
- Rosters of individual students, including student state ID, for students who complete an OnRamps course for the purpose of calculating state accountability and other required state performance reporting and metrics.

Exhibit C
