

## **ACTION IN THE ABSENCE OF POLICY**

In cases where action must be taken involving the operation of the school district and in which no policy has been established by the board of education, the superintendent will have the authority to act, using his or her own best judgment and based on what he or she believes the policy of the board of education would be, if it existed. Such emergency policy decisions will be reported to the president of the board as soon as practical and to the board at its next meeting. The board will determine at that time whether or not a permanent policy should be established.
