

INCLEMENT WEATHER PROCEDURES

Notification to Parents and Students

When conditions exist which may cause the dismissal of school, students and parents should not call teachers or other school-related personnel. News concerning the dismissal of schools for any reason will be broadcast over KWTV (Channel 9), KOCO TV (Channel 5), KFOR TV (channel 4). The Chandler Public Schools electronic calling system will be activated to contact families with students in our school.

Notification to School Personnel

When conditions exist which may endanger the health and safety of students and school personnel, the school district will close until such conditions have passed. The Chandler Public School's electronic calling system will be used to contact district employees notifying them of school closure. If an employee is not contacted about the closing of school, he or she should contact their principal.
