

VANDALISM

The board believes that the education of children is dependent upon many factors, including a proper physical environment that is safe, clean and attractive.

The care, custody and safekeeping of all school district property is the general responsibility of the superintendent. It is also the superintendent's responsibility to establish procedures for the proper maintenance and safekeeping of school property.

All persons who are aware of incidents of vandalism, breaking and entering, and/or theft of school property should report the facts at once to the superintendent. A written report shall be made when the superintendent deems it necessary.

No money is to be left in the buildings overnight. This information should be freely disseminated.

The superintendent is authorized to sign a criminal complaint and to press charges against perpetrators of vandalism to school property or other crimes committed against the school.
