

**FACULTY  
TEACHER'S CONTRACT**

The teacher's contract shall be binding on both the board and teacher unless mutual agreement exists to terminate the contract as provided by state law. When requesting release from a contract, the teacher shall give the board two weeks notice before a release will be granted, and then only if a suitable replacement can be found.

Teachers requesting to terminate a contract after July 1 may be held responsible for the expense the district incurs in finding a replacement, including but not limited to advertising costs.
