

Extra Duty Assignment

All extra duty assignments are subject to approval by the Board of Education. The superintendent shall have the authority to change or terminate assignments at any time. Change in assignments may be verbal or in writing by the superintendent.

Extra duty compensation shall be decreased or increased appropriate to the change in extra duty assignments and will be prorated according to the extra duty performed up to the time of the change of assignment.

Any employment assignment is subject to the approval of the board of education. The extra duty assignment is not subject to the continuing contract law of the State of Oklahoma, and is completely separate and severable from any other contract between the employee and the district. The extra-duty contract is an at-will contract which may be terminated by the employee or by the Superintendent at any time, and without cause.
