

STAFF
CLASSROOM ASSISTANT

Classroom assistants shall be used in all classes in which such assistants are required by state law. In addition, the board may hire assistants when it deems such assistants are helpful for the improvement of instruction.

Classroom assistants may be used according to State Board of Education standards and regulations. Also, assistants may perform or assist a classroom teacher in the performance of hall duty, bus duty, playground duty, lunchroom duty, extracurricular activities involving school functions or any other non-instructional duty prescribed by the superintendent.
