REPORTS TO STUDENTS AND PARENTS

Student's grades can be accessed by parents through the school's web-based gradebook program. The link for this gradebook program can be found on our school district web site. On a weekly basis, parents are notified via an automated notification system of ineligible students. This automated notification system is also used on a daily basis to notify parents of attendance issues.
Report cards are issued each nine weeks. Progress reports will be sent at the middle of each nine-week period. If there are questions or concerns about a student's grades, the parent or guardian should communicate with the respective teacher and/or principal. Discipline notices will be mailed as needed. Reported acts of unsatisfactory citizenship will be addressed through the disciplinary program.
