

STUDENT RETENTION (REGULATION)

In accordance with the policy of the board of education, the following criteria for the selection of students to be retained in their current grade, or denied course credit, will be used in this school district.

Students shall be promoted or receive credit for a course of study if a grade average of 60% has been achieved for an entire course of study as determined by the teacher.

Students in grades one through eight must achieve a grade average of 60% or higher in at least three major courses of study to be promoted to the next higher grade. The major courses of study are math, language arts, science, reading, and social studies.

Effective with students entering the first grade in the 2011-2012 school year, a student will be retained at the third grade level if the student scores an unsatisfactory level on the reading portion of the third-grade criterion-referenced test. A student may be promoted for "good cause" if the student meets one of the following statutory exemptions:

- (1) Limited-English-proficient students who have had less than two years of instruction in an English language learner program;
- (2) Students with disabilities whose individualized education plans, consistent with state law, indicates that the student is to be assessed with alternate achievement standards through the Oklahoma Alternative Assessment program (OAAP);
- (3) Students who demonstrate an acceptable level of performance on an alternative standardized reading assessment approved by the State Board of Education;
- (4) Students who demonstrate through a student portfolio, that the student is reading on grade level as evidenced by demonstration of mastery of the state standards beyond the retention level;
- (5) Students with disabilities who participate in the statewide criterion-referenced tests and who have an individualized education plan that reflects that the student has received intensive remediation for reading for more than two years but still demonstrates a deficiency in reading and was previously retained in kindergarten, first grade, second grade, or third grade; and
- (6) Students who have received intensive remediation in reading through a program of reading instruction for two or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, first grade, second grade, or third grade for a total of two years.

In the elementary and middle schools, a placement committee consisting of the principal, counselor, and teacher(s) shall determine if a student is to be assigned to the next higher grade. The committee shall consider standardized test scores and the student's age.

Whenever a teacher or a placement committee recommends that a student be retained at the present grade level or not passed in a course, the parent(s) or guardian, if dissatisfied with the recommendation, may appeal the decision by complying with the district's appeal process. The

decision of the board of education shall be final. The parent(s) or guardian may prepare a written statement to be placed in and become a part of the permanent record of the student stating the parent(s)'s or guardian's reason(s) for disagreeing with the decision of the board.
