

REGULATION
TEN-DAY ABSENCE RULING

Regulations concerning attendance and activities are designed to aid students so that maximum learning can occur. Consistent classroom attendance assists students in developing strong work habits, responsibility and self-discipline. The goal of the board of education is to facilitate a balanced education for each student. With this in mind, the following attendance/activities regulations have been established.

1. The superintendent and the local board shall annually review the scheduling of activities so that minimal interruptions occur in the instructional program of a student.
2. The maximum number of absences for activities which remove the student from the classroom shall be ten (10) for any one class period in the school year. State and national levels of school-sponsored contests are excluded. The criteria for participating in such contests must be that the student earns the right to compete in a qualifying event.
