

## **STUDENT ACTIVITIES**

The board of education believes that student activities are important to the full educational growth of its students. School administrators shall strive to achieve equitable participation opportunities and positive recognition to students, while working to enhance the achievement of desired educational goals. To meet this end, the board supports local, regional and state activities.

This school district shall be a member of the Oklahoma Secondary School Activities Association (OSSAA). Rules and regulations of the OSSAA will be strictly adhered to by all concerned in activities sponsored by the Oklahoma Secondary School Activities Association.

Every student who competes in athletics must have written permission of his parents and must pass a physical examination. All students who represent the school in academic, athletic or music competition must be passing all subjects.

Any activity to be scheduled on the school calendar must be scheduled by the sponsor through the principal well in advance of the event. School activities should not be scheduled on Wednesday night.

The school will provide transportation for all in state school-sponsored activities. Students must go and return in vehicles approved by the school. A student will not be excused to remain overnight in the town visited or to return by another means of transportation unless a parent makes a request in person.
