

OUT OF STATE STUDENT ACTIVITY TRIP POLICY

Out of state trips are subject to the approval of the Superintendent. It is encouraged that prior year planning and approval be used.

Consideration of the following guidelines will be used in the approval of all out of state trip requests. Out of state trips will be limited to the Continental United States.

It is encouraged that trips not exceed more than 1 day missed from school. School holidays and vacation should be used for longer trips.

It is also encouraged that trips be planned to participate in the primary function or competition of the student activity group taking the trip and that the complete trip agenda be planned to provide educational experiences for students.
