

ESTABLISHING CURRICULAR CLUBS AND CURRICULAR ORGANIZATIONS

The rules for establishing any curricular club or curricular organization within the school district are as follows:

1. A certified teacher must agree to serve as the sponsor of the organization
2. The objectives of the organization must be consistent with the objectives and philosophy of the school district
3. By-laws and objectives of the organization must be submitted to the board of education for approval
4. The organization must receive the approval of administration and board of education.
5. Assurance must be given that no discrimination exists in regard to national origin, sex, or religious creed.
5. The building principal must give permission for use of the school facilities.
